# 1. recycle

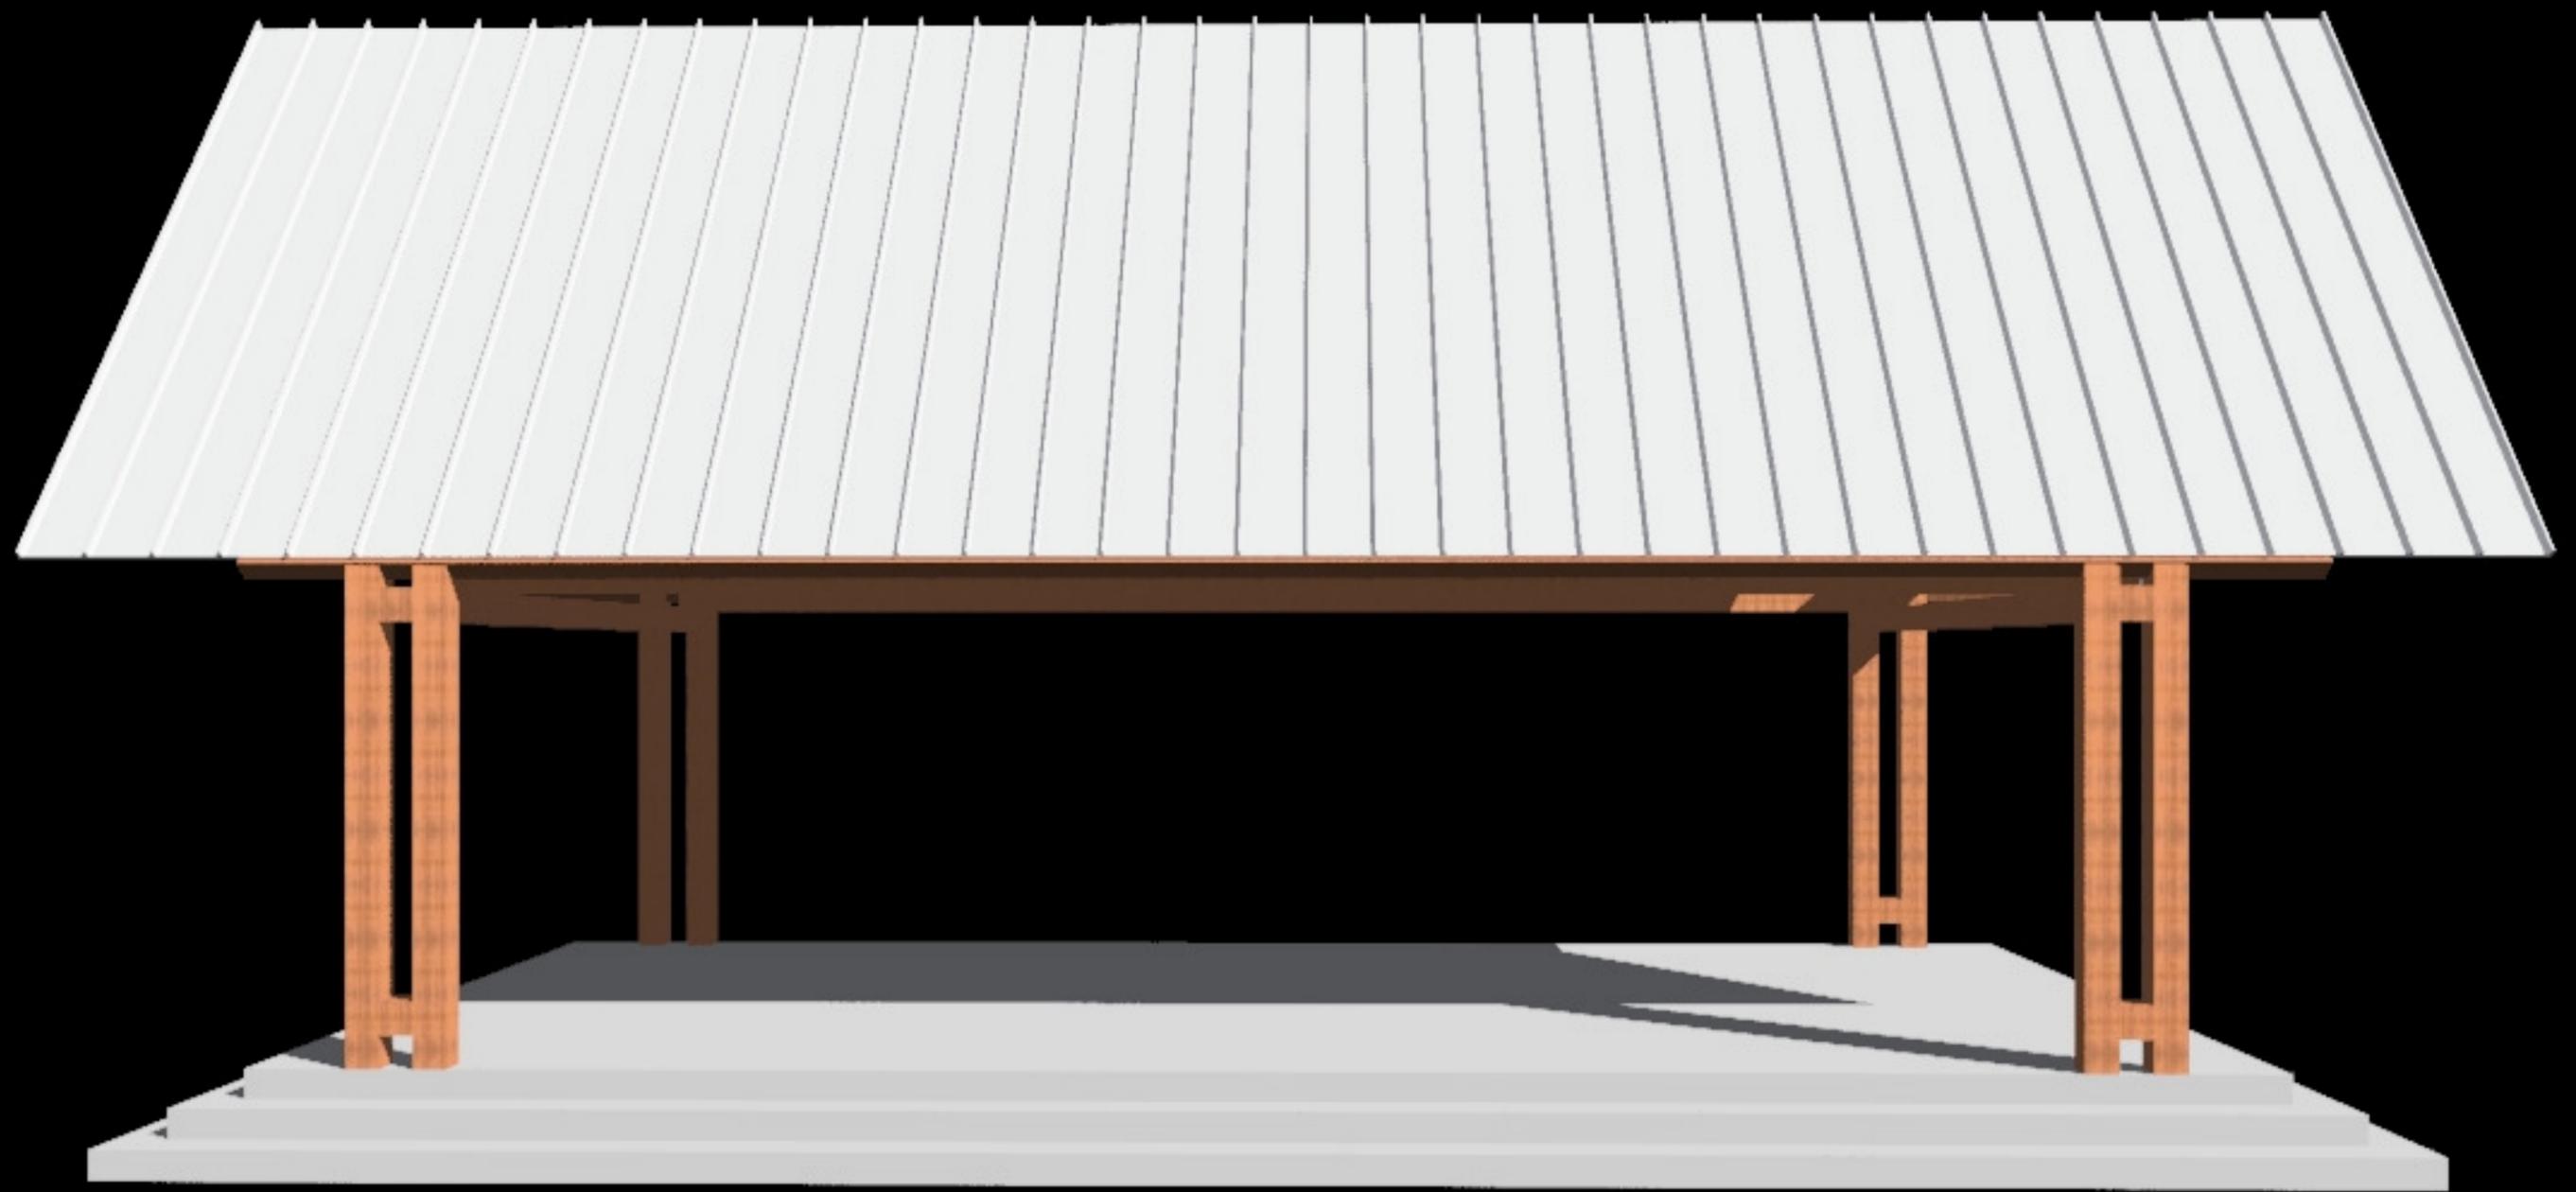

## 2. traditional hip

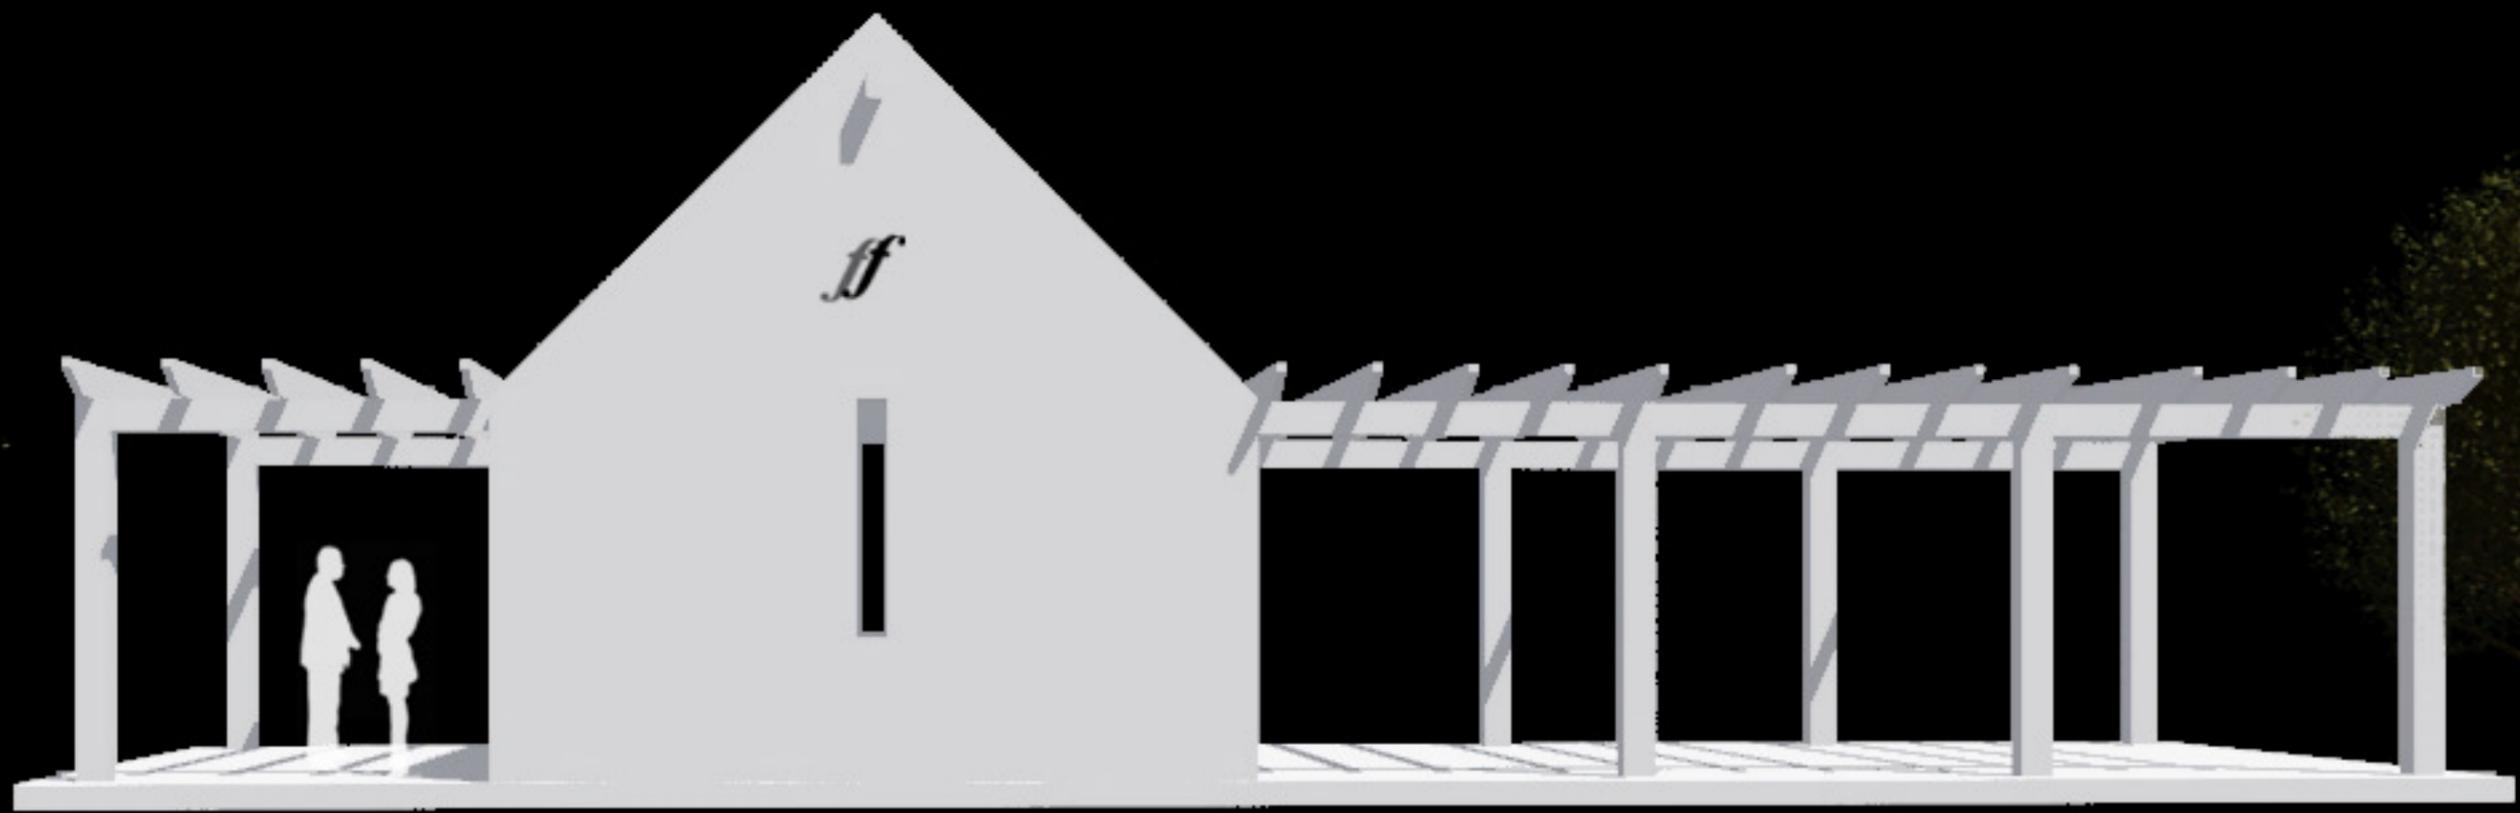

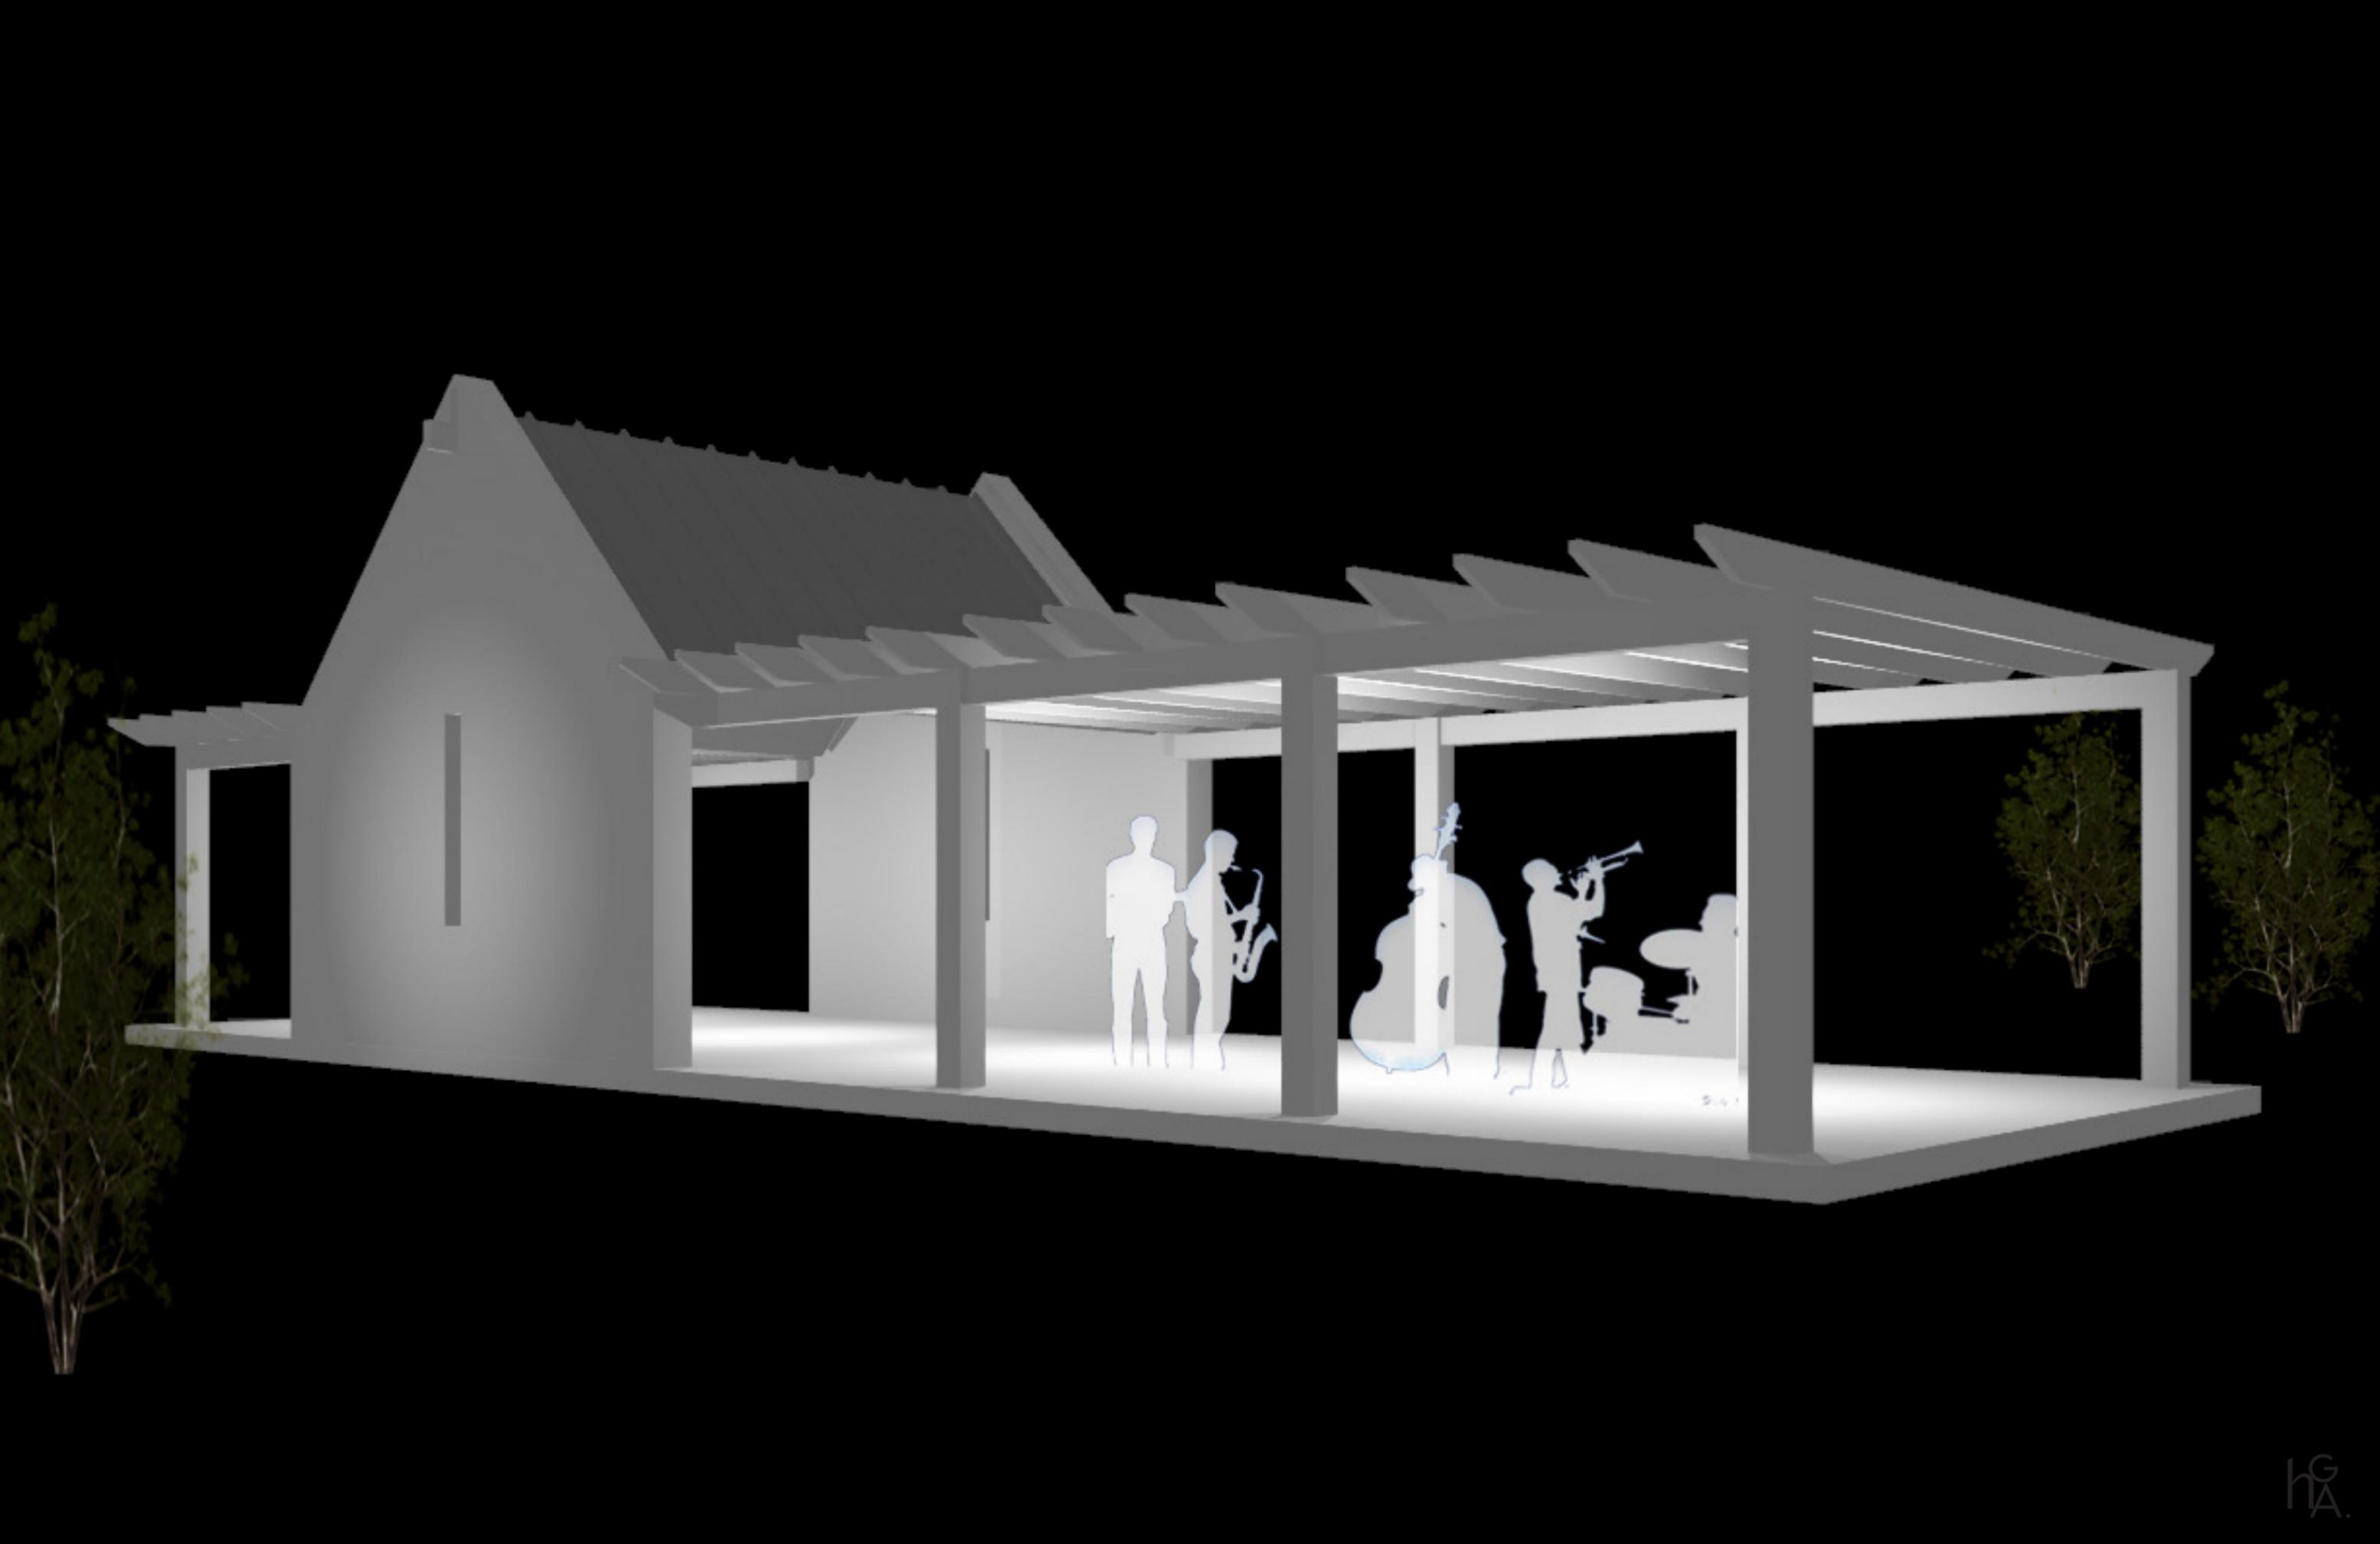

# 3. long house

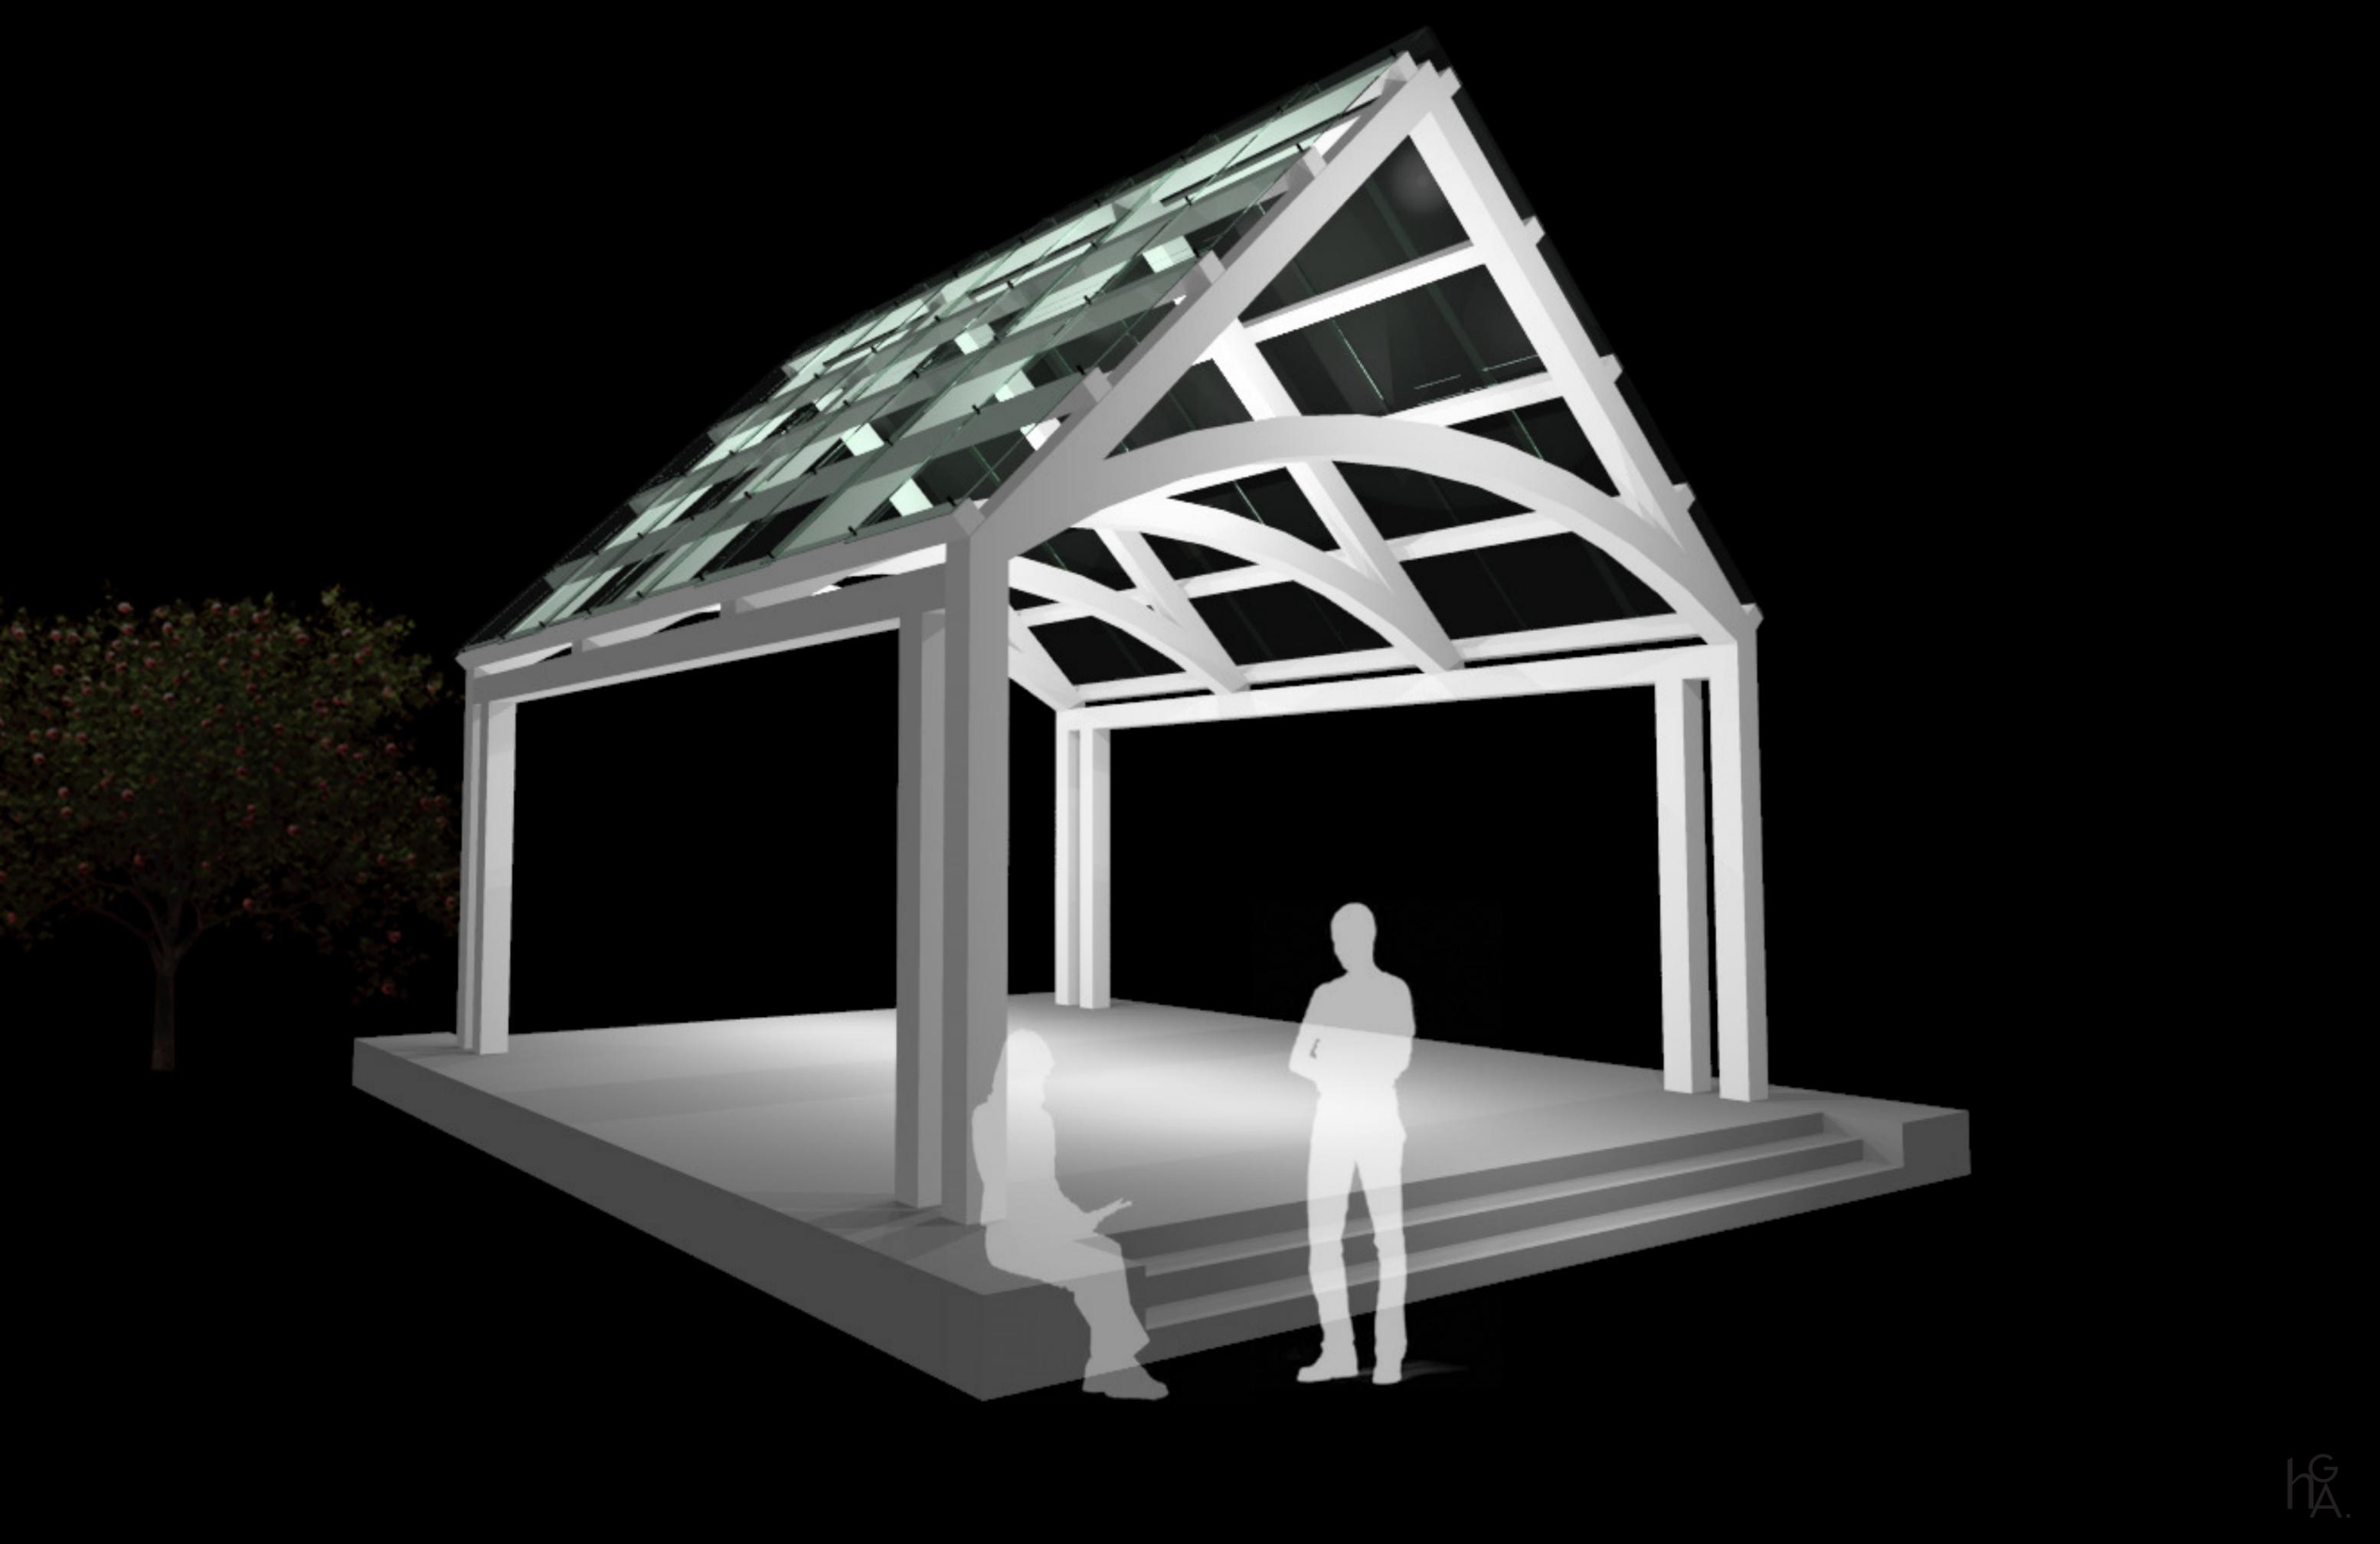

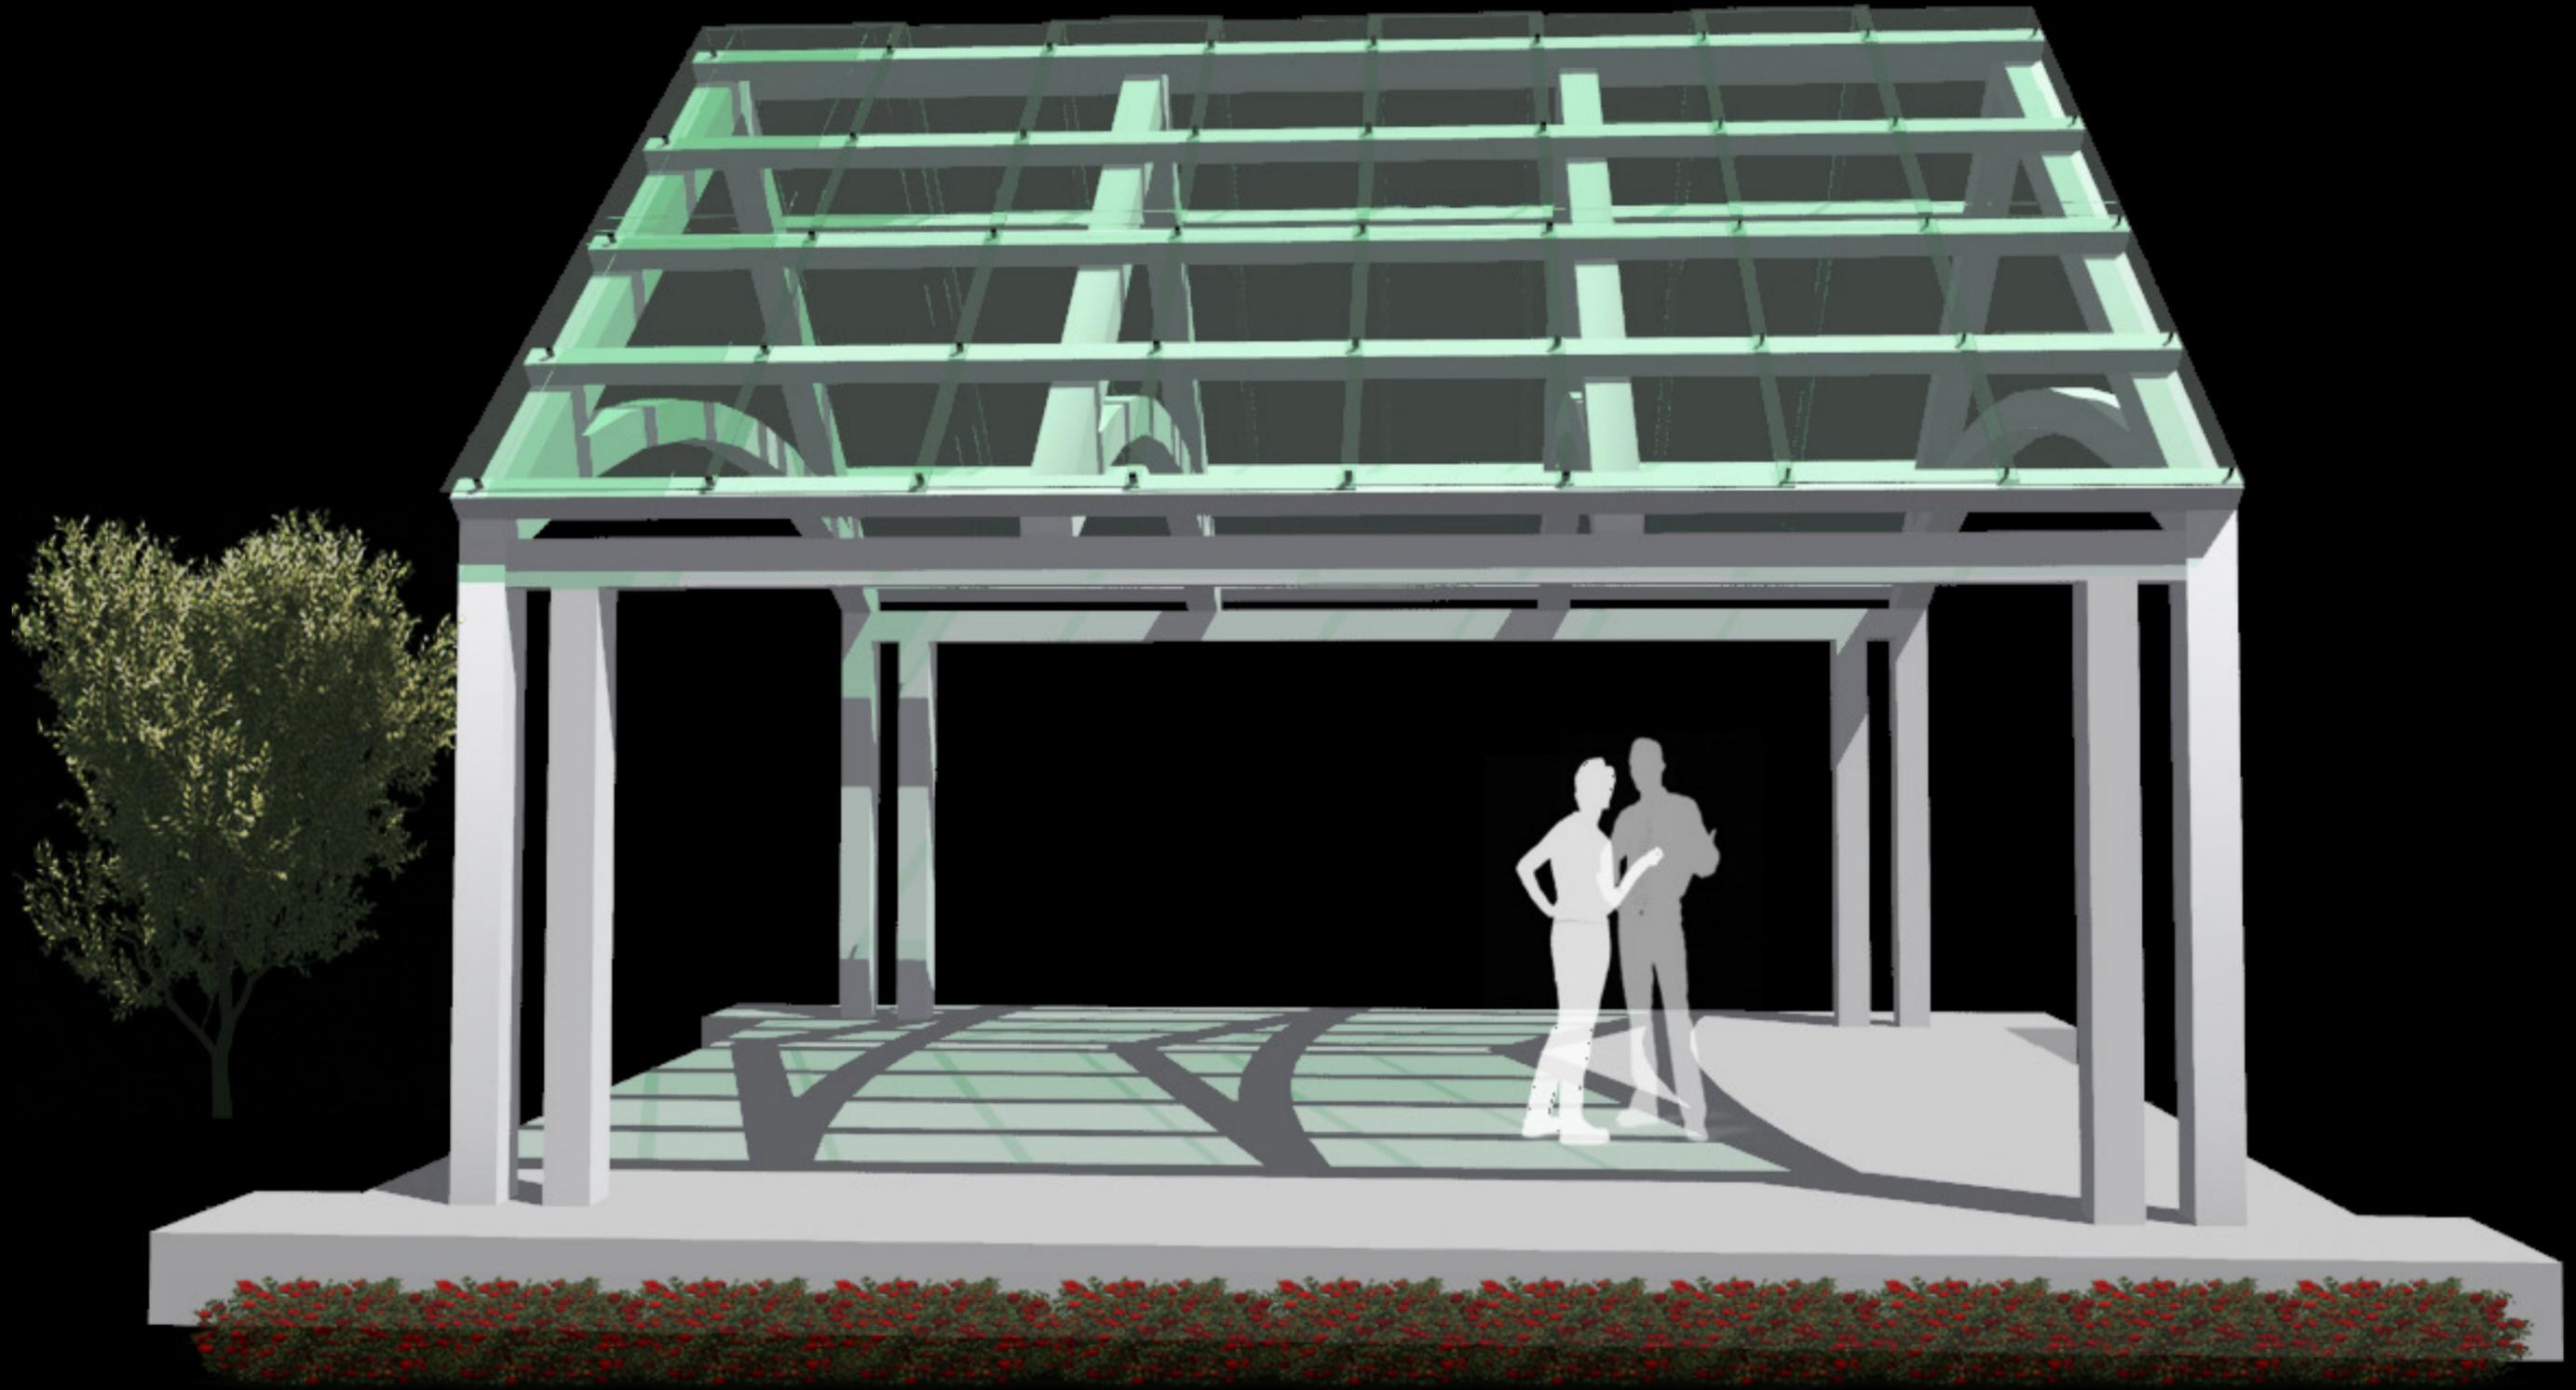

# 4. house

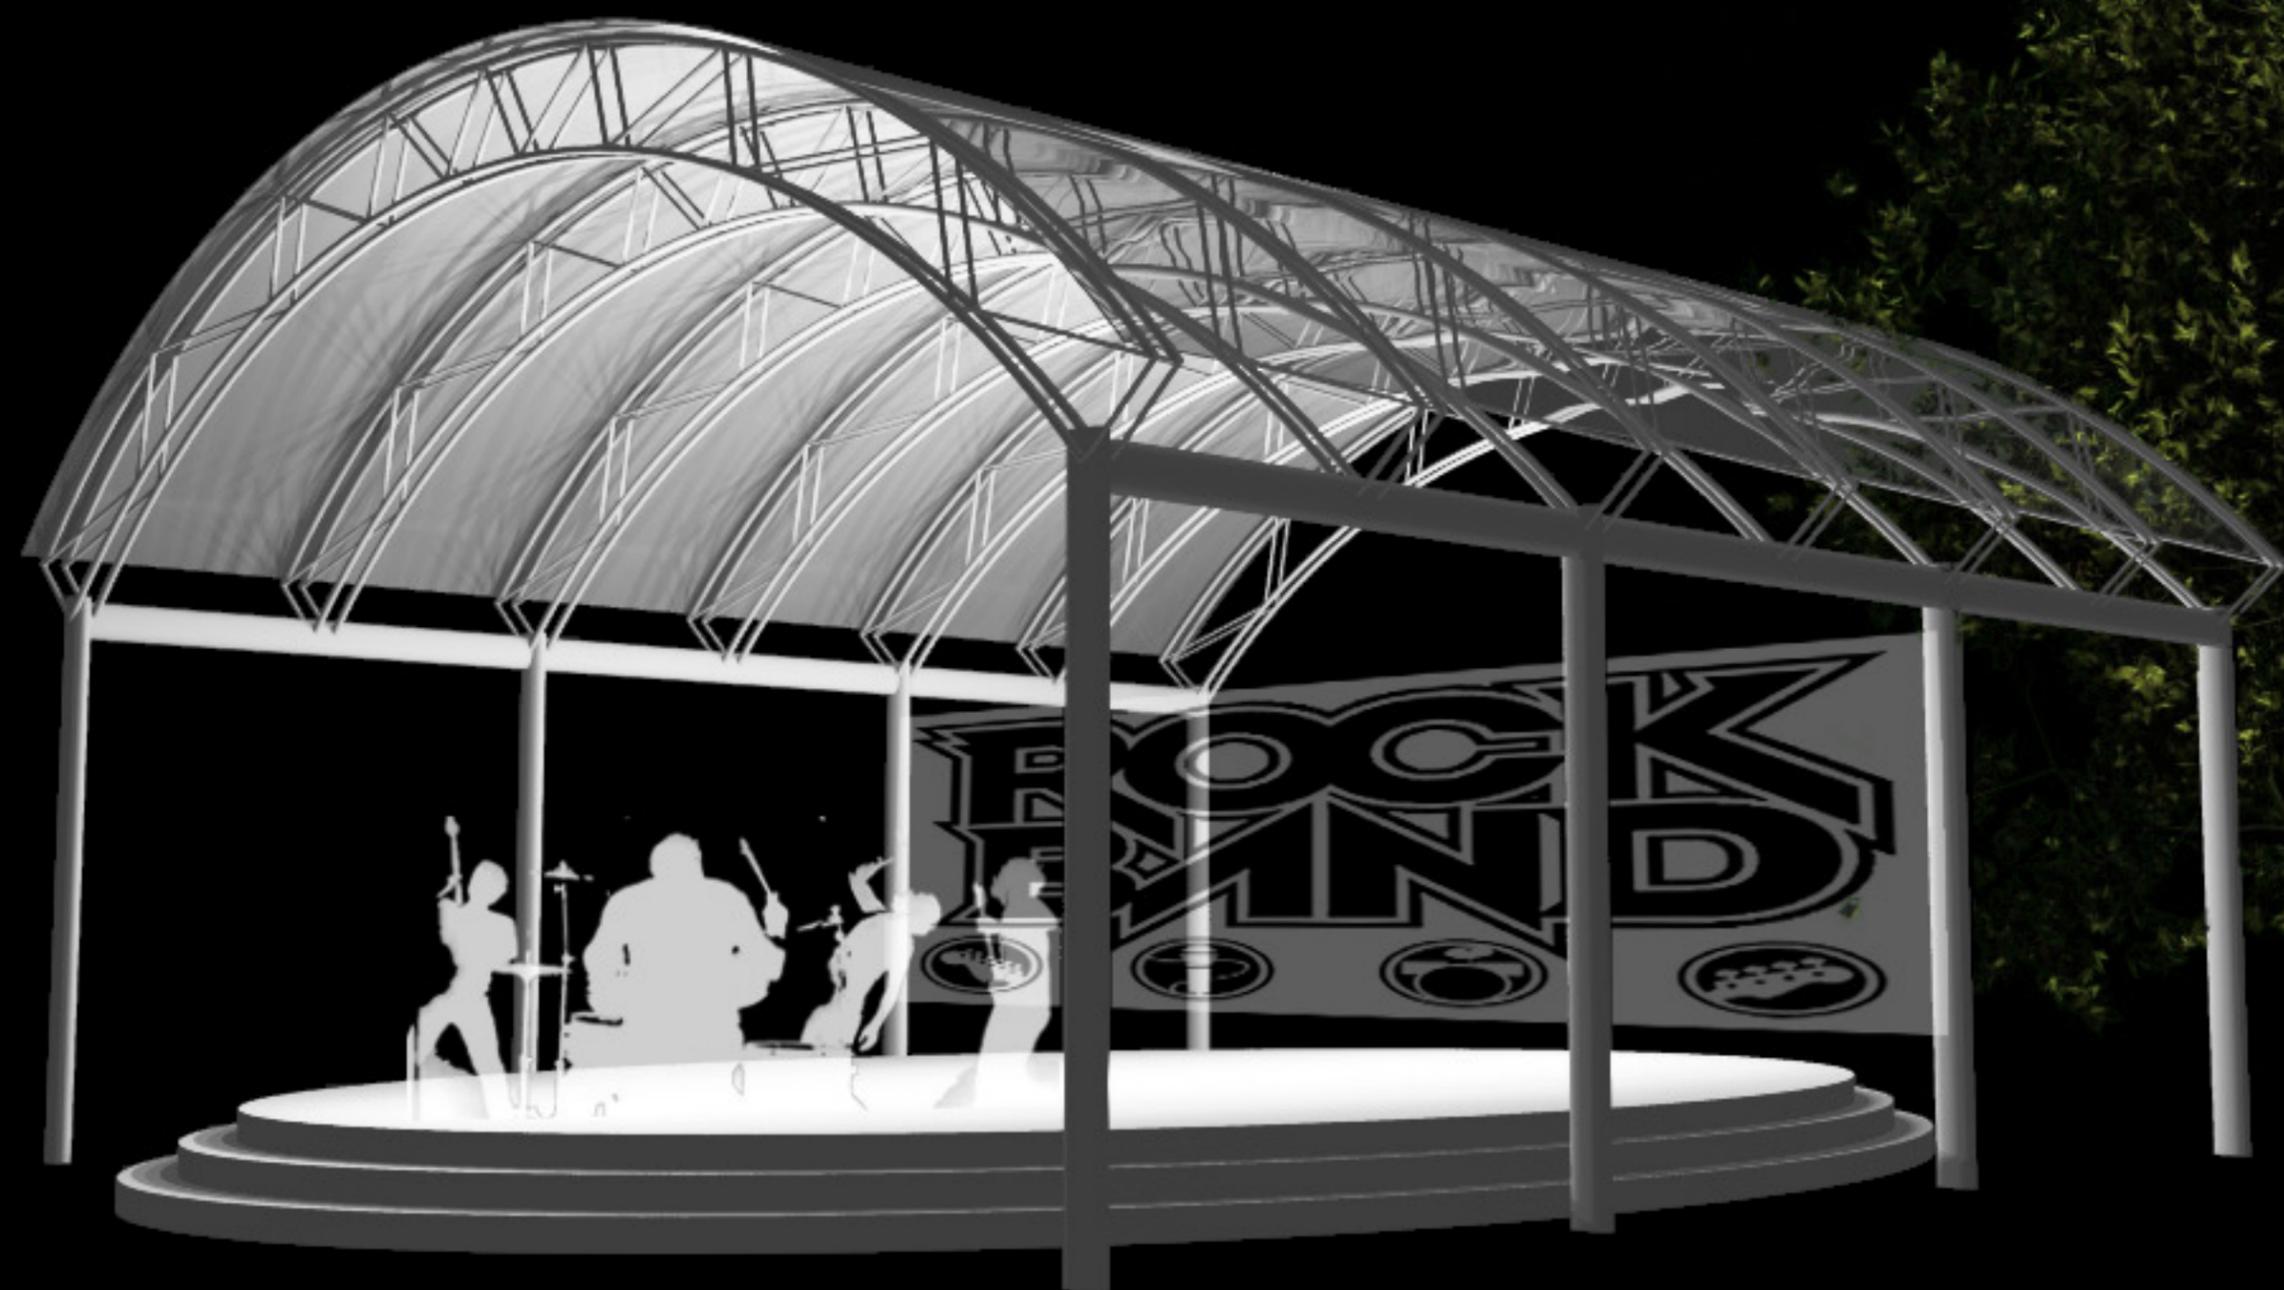

# 5. glass house

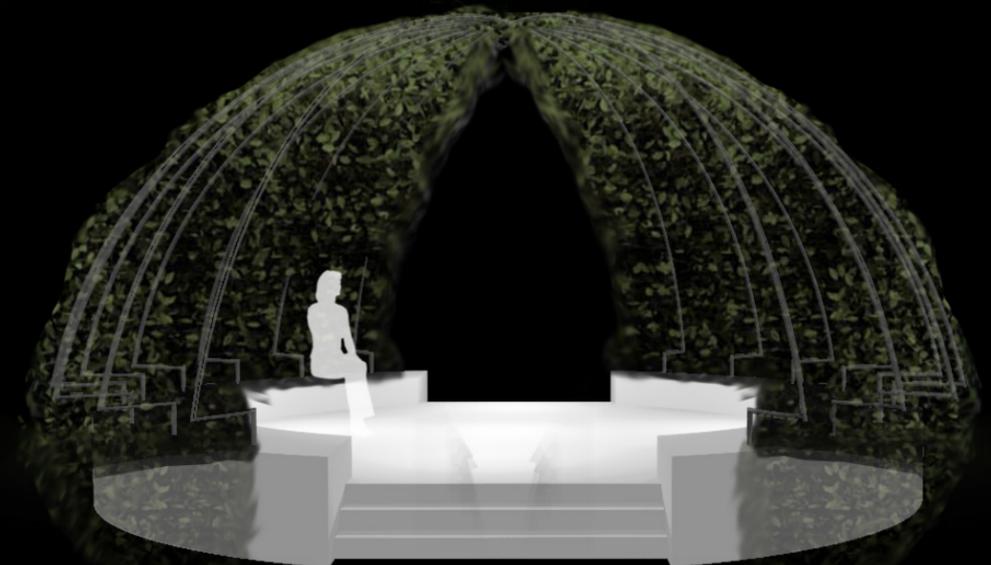

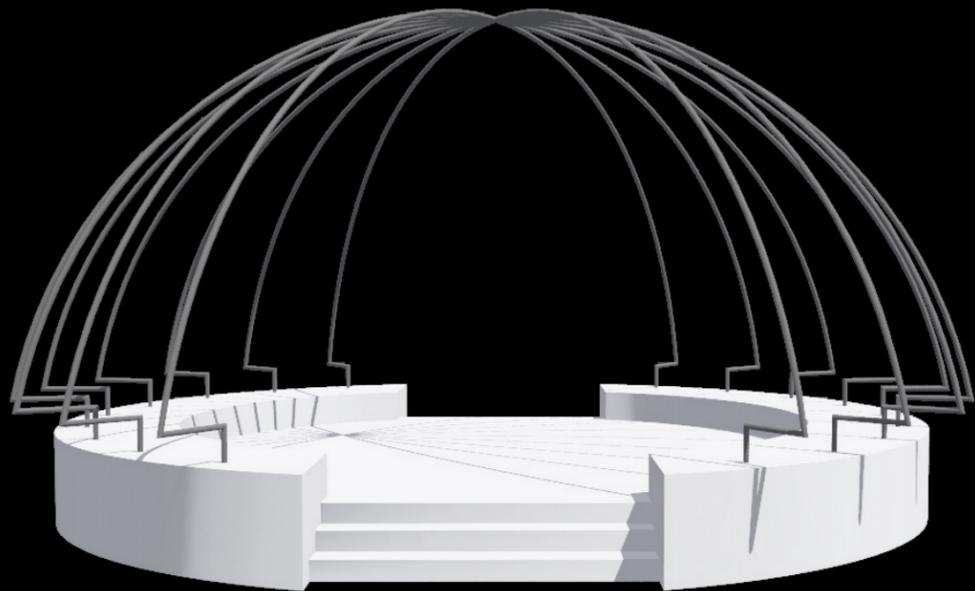

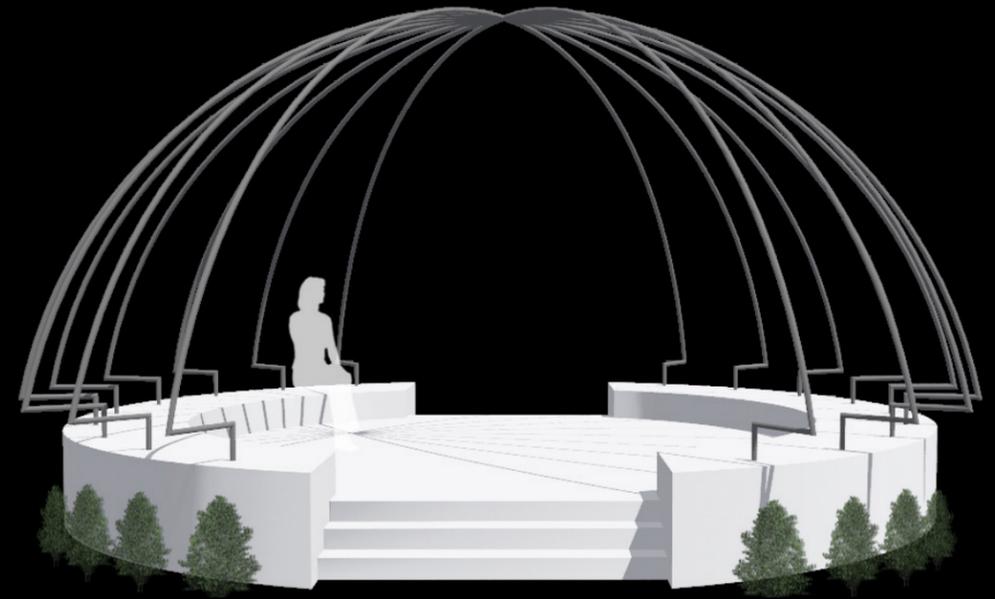

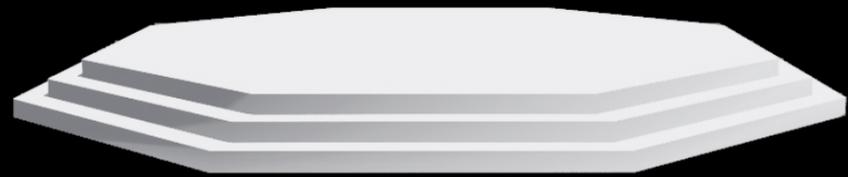

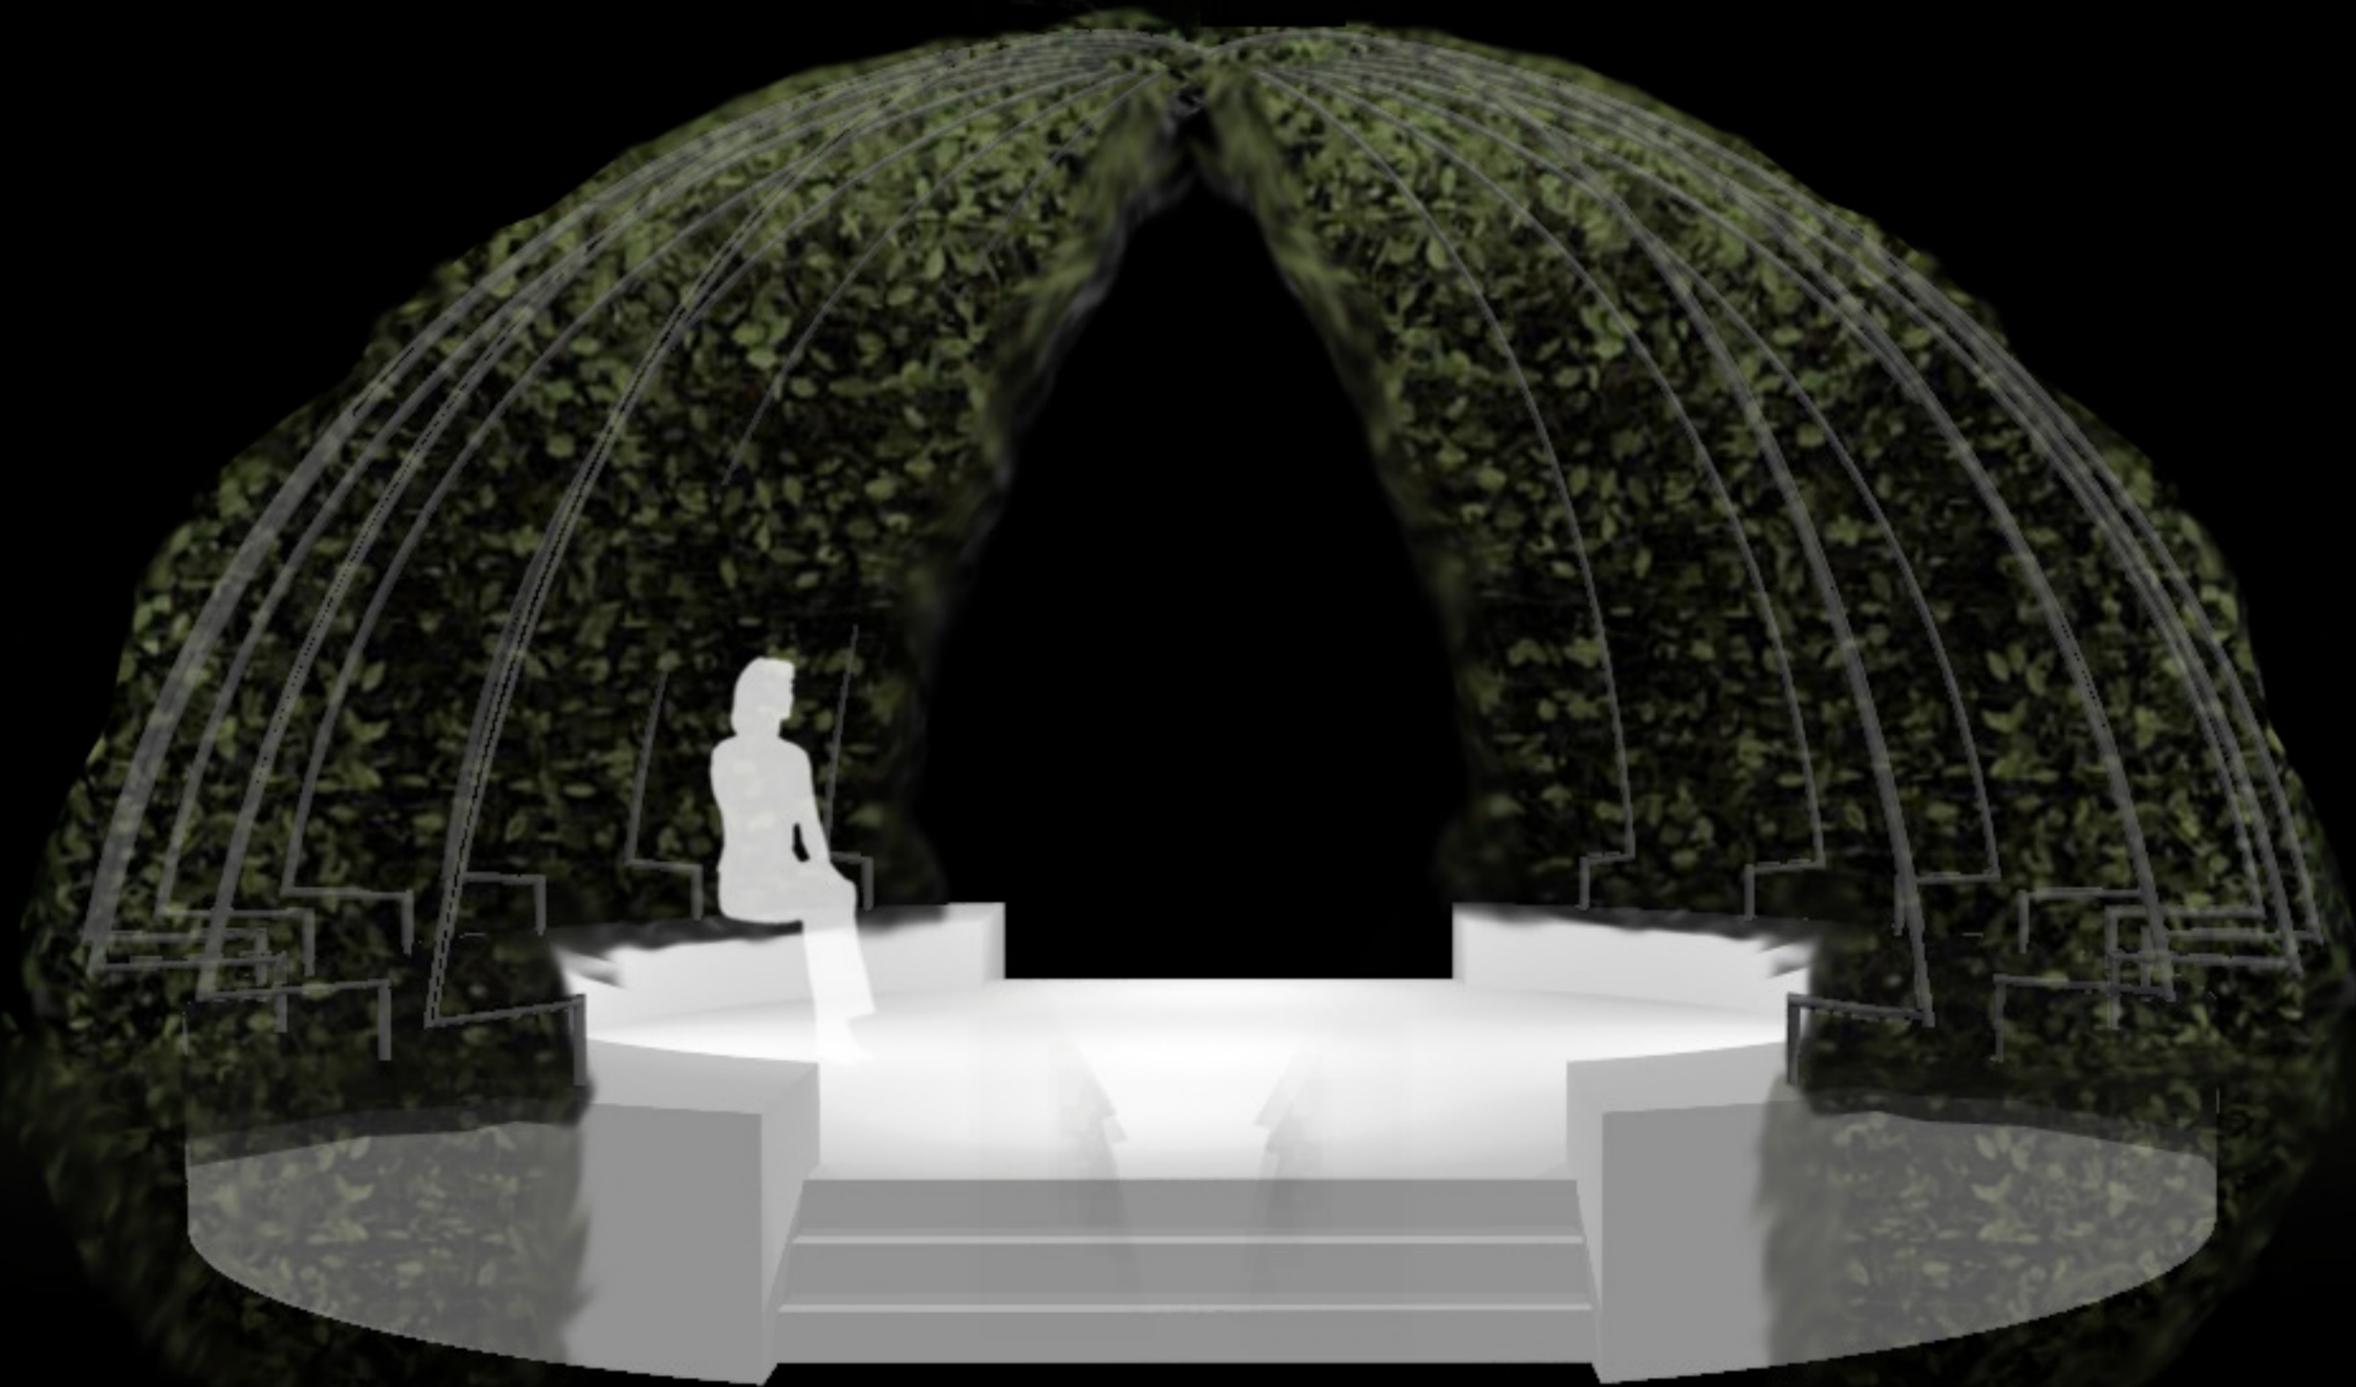

# 6. glow

**7. green**

**7. green**

# Plus

# Minus

1. recycle

*Half walls, recycle base, lighting*

*Lacks Flexibility*

2. traditional hip

*Clusters of Columns*

*Needs Railing?*

3. long house

*Materials, Exposed Structure*

*Too Tall*

4. house

*Pergolas*

*Questionable Function*

5. glass house

*Glass, Roof, Trusses, Fun*

*Lacks Seating*

6. glow

*Fabric roof, Sail Metaphor*

*May not fit in...*

7. green

*Concept not right for Pavilion*

*Would like to use in a  
different location...*

# Summary / Next Steps

- Committee would like to develop Pavilion Option #5 (glass house) on Site Option #3 (terraces)
- Include site for temporary tent(s) on site plan
- Pavilion should be no larger than existing (~750 sf)
- Committee would like materials by end of June
- Next meeting to correspond with CDA presentation on June 2
