RECITALS

The Village Board (the “**Governing Body**”) of the Village of Fontana-on-Geneva Lake, Wisconsin (the “**Issuer**”) makes the following findings and determinations:

1. The Issuer needs funds for the following purposes (collectively, the “**Project**”):

1,295,000	1,280,000	sewerage improvements, including, but not limited to, storm sewer and sanitary sewer improvements; and
2,365,000	2,345,000	water system improvements.

2. On February 3, 2014, the Governing Body adopted three initial resolutions authorizing the issuance of general obligation bonds of the Issuer in the maximum principal amounts and for the purposes described above (the “**Initial Resolutions**”).

3. On February 3, 2014, the Governing Body also adopted a resolution authorizing the amounts and purposes specified in the Initial Resolutions to be combined into a single bond issue designated as “corporate purpose bonds” (the “**Authorizing Resolution**”).

The Governing Body authorizes the Obligations and orders that they be prepared, executed, and issued. The Obligations will be fully registered, negotiable, general obligation corporate purpose bonds of the Issuer in the principal amount of \$4,430,000. The Obligations will be issued pursuant to the provisions of Chapter 67 of the Wisconsin Statutes and the

The Obligations will bear interest from the Original Issue Date. Interest will be payable semiannually on each March 1 and September 1, beginning on March 1, 2015, until the principal of the Obligations has been paid. Interest on each Obligation will be (i) computed on the basis of a 360-day year of twelve 30-day months and (ii) payable to the person in whose name the Obligation is registered on the Register at the end of the day on the applicable Record Date. The Obligations will be numbered consecutively as may be required to comply with any applicable rules or customs or as determined by the Municipal Officers executing the Obligations. The following table shows when the Obligations will mature and the rate of interest each maturity will bear:

Section 6. Fiscal Agent.

The Issuer appoints the Fiscal Agent to act as paying agent and registrar for the Obligations. The appropriate officers of the Issuer are directed to enter into a fiscal agency agreement with the Fiscal Agent on behalf of the Issuer. The fiscal agency agreement may provide for the Issuer to pay the reasonable and customary charges of the Fiscal Agent for those services. The fiscal agency agreement must require the Fiscal Agent to comply with all applicable federal and state regulations. Among other things, the Fiscal Agent must maintain the Register.

Section 7. Appointment of Depository.

The Issuer appoints DTC to act as securities depository for the Obligations. An authorized representative of the Issuer has previously executed a blanket issuer letter of representations with DTC on the Issuer's behalf, and the Issuer ratifies and approves that document.

Section 8. Book-Entry System.

On the date of their initial delivery, the Obligations will be registered in the name of DTC or its nominee and maintained in a Book-Entry System. If the Issuer's relationship with DTC is terminated, then the Issuer may appoint another securities depository to maintain the Book-Entry System.

The Issuer may decide at any time not to maintain the Obligations in a Book-Entry System. If the Issuer decides not to maintain a Book-Entry System, then it will do the following:

- (i) At its expense, the Issuer will prepare, authenticate, and deliver to the beneficial owners of the Obligations fully registered certificated Obligations in the denomination of \$5,000 or any multiple thereof in the aggregate principal amount then outstanding. The beneficial owners will be those shown on the records of the Depository and its direct and indirect participants.
- (ii) The Issuer will appoint a fiscal agent to act as paying agent and registrar for the Obligations under Section 67.10 (2) of the Wisconsin Statutes (the Fiscal Agent may be reappointed in this capacity).

Section 9. Redemption.

The Obligations maturing on or after March 1, 2024 are subject to redemption before their stated maturity dates, at the Issuer's option, in whole or in part, in the order of maturity selected by the Issuer, on March 1, 2023 and on any date thereafter. The redemption price will be 100% of the principal amount redeemed, plus accrued interest to the redemption

date, and no premium will be paid. If less than all the principal amount of a specific maturity is redeemed, then the Obligations will be redeemed in \$5,000 multiples in accordance with Sections 10 and 11 hereof, and if a portion, but not all, of a maturity that is subject to partial redemptions by operation of a sinking fund (as described below) is being redeemed, then the Issuer will select the amounts to be redeemed on future Sinking Fund Redemption Dates (as defined below) that are reduced as a result of the partial redemption.

The Obligations maturing on March 1 in the years 2032 and 2034 (collectively, the “**Term Bonds**”) are also subject to mandatory partial redemptions prior to their stated maturity dates by operation of a sinking fund. On the following redemption dates (each a “**Sinking Fund Redemption Date**”), the Issuer will redeem the following principal amounts of the Term Bonds:

Term Bonds Maturing March 1, 2032

Sinking Fund Redemption Date (March 1)	Principal Amount To be Redeemed
2031	\$275,000
2032 (Stated Maturity)	250,000

Term Bonds Maturing March 1, 2034

Sinking Fund Redemption Date (March 1)	Principal Amount To be Redeemed
2033	\$250,000
2034 (Stated Maturity)	250,000

The redemption price will be 100% of the principal amount redeemed, plus accrued interest to the Sinking Fund Redemption Date, and no premium will be paid. The particular Term Bonds to be redeemed will be selected in accordance with Sections 10 and 11 hereof, and the Issuer will give notice of the redemption in the manner stated in this resolution.

Section 10. Payment of Obligations/Transfers/Redemption Notices Under Book-Entry System.

So long as the Issuer maintains the Obligations in a Book-Entry System, the following provisions apply:

Payment. The Fiscal Agent is directed to pay the principal of, and interest on, the Obligations by wire transfer to the Depository or its nominee in accordance with the Depository’s rules that are then in effect.

Transfers. The Obligations are transferable, only upon the Register and only if the Depository ceases to act as securities depository for the Obligations and the Issuer appoints a successor securities depository. If that happens, then upon the surrender of the Obligations to the Fiscal Agent, and the payment of a charge sufficient to reimburse the Fiscal Agent for any tax, fee, or other governmental charge required to be made with respect to such registration, the Issuer will issue new fully registered Obligations in the same aggregate principal amounts to the successor securities depository, and the Obligations will be recorded as transferred to the successor securities depository in the Register.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption.

Partial Redemption. If less than all the principal amount of a specific maturity is to be redeemed, then the Depository and its direct and indirect participants will select the beneficial owners of the Obligations to be redeemed. If less than the entire principal amount of a particular Obligation has been called for redemption, then upon surrender of the Obligation to be redeemed, the Issuer will issue one or more new Obligations in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations will be sent to the Depository, in the manner required by the Depository, not less than 30, and not more than 60, days prior to the proposed redemption date. A notice of redemption may be revoked by sending notice to the Depository, in the manner required by the Depository, not less than 15 days prior to the proposed redemption date.

Accrual of Interest. If payment of an Obligation called for redemption has been made or provided for, then interest on the Obligation stops accruing on the stated redemption date.

Register. The Issuer, the Fiscal Agent, and any alternate fiscal agent may treat the entity or person in whose name any Obligation is registered on the Register as the absolute owner of the Obligations for all purposes whatsoever under this resolution.

Section 11. Payment of Obligations/Transfers/Redemption Notices Not Under Book-Entry System.

If at any time the Issuer decides *not* to maintain the Obligations in a Book-Entry System, then the following provisions apply:

Payment. The Fiscal Agent will pay the principal of each Obligation upon its presentation and surrender on or after its maturity or earlier redemption date at the designated office of the Fiscal Agent, and the Fiscal Agent will pay, on each interest payment date, the interest on each Obligation by wire or other electronic transfer or by check of the Fiscal Agent sent by first class mail to the person in whose name the Obligation is registered on the Register at the end of the day on the applicable Record Date.

Transfers. Each Obligation is transferable, only upon the Register, for a like aggregate principal amount of the same maturity and interest rate in denominations of \$5,000 or any multiple thereof. A transfer may be requested by the registered owner in person or by a person with a written power of attorney. The Obligation must be surrendered to the Fiscal Agent, together with a written instrument of transfer satisfactory to the Fiscal Agent signed by the registered owner or by the person with the written power of attorney. The Fiscal Agent will issue one or more new fully registered Obligations in the same aggregate principal amount to the transferee or transferees, as applicable, in exchange for the surrendered Obligations and upon the payment of a charge sufficient to reimburse the Issuer or the Fiscal Agent for any tax, fee, or other governmental charge required to be paid with respect to such registration.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar day period before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after the Obligation has been called for redemption.

Partial Redemptions. If less than all the principal amount of a specific maturity is to be redeemed, then the Issuer will randomly select the Obligations to be redeemed. If less than the entire principal amount of a particular Obligation has been called for redemption, then upon surrender of the Obligation to be redeemed, the Issuer will issue one or more new Obligations in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations must be sent by first class mail, not less than 30, and not more than 60, days before the redemption date to the registered owners of the Obligations to be redeemed. A notice of redemption may be revoked by sending a notice, by first class mail, not less than 15 days prior to the proposed redemption date to the registered owners of the Obligations which have been called for redemption.

Accrual of Interest. If payment of an Obligation called for redemption has been made or provided for, then interest on the Obligation stops accruing on the stated redemption date.

Register. The Issuer, the Fiscal Agent, and any alternate fiscal agent may treat the entity or person in whose name any Obligation is registered on the Register as the absolute owner of the Obligation for all purposes whatsoever under this resolution.

Section 12. Form of Obligations.

The Obligations must be in substantially the form shown in Exhibit A. Omissions, insertions, or variations are permitted if they are deemed necessary or desirable and are consistent with this resolution or any supplemental resolution.

Section 13. Execution of Obligations.

The Obligations must be signed by the persons who are the Municipal Officers on the date on which the Obligations are signed. The Obligations must be sealed with the Issuer's

corporate seal (or a facsimile), if the Issuer has one, and they must also be authenticated by the manual signature of an authorized representative of the Fiscal Agent.

The Obligations will be valid and binding even if before they are delivered any person whose signature appears on the Obligations is no longer living or is no longer the person authorized to sign the Obligations. In that event, the Obligations will have the same effect as if the person were living or were still the person authorized to sign the Obligations.

A facsimile signature may be used as long as at least one signature of a Municipal Officer is a manual signature or the Fiscal Agent's certificate of authentication has a manual signature. If a facsimile signature is used, then it will be treated as the officer's own signature.

Section 14. Continuing Disclosure.

The appropriate officers of the Issuer are directed to sign the Continuing Disclosure Agreement, and the Issuer agrees to comply with all its terms.

Section 15. Sale of Obligations.

The Issuer awards the sale of the Obligations to the Purchaser at the Purchase Price, plus any accrued interest from the Original Issue Date to the date of delivery of the Obligations. The Issuer approves and accepts the purchase agreement signed and presented by the Purchaser to evidence the purchase of the Obligations (the "**Purchase Agreement**"). The Municipal Officers are directed (i) to sign the Purchase Agreement in the Issuer's name and (ii) to take any additional actions needed to complete the sale of the Obligations, including arranging for a specific time and place of closing of the sale.

The Financial Officer is directed to comply with the terms of the Notice of Sale with respect to any good-faith deposit requirements.

The officers of the Issuer are directed to sign the Obligations and to arrange for delivery of the Obligations to the Purchaser in accordance with the Notice of Sale, the Purchase Agreement, and this resolution. The Obligations may be delivered to the Purchaser upon payment by the Purchaser of the Purchase Price, plus any accrued interest, as required by the Notice of Sale.

The sale of the Obligations is conditioned upon the Issuer furnishing the following items to the Purchaser:

- (i) The Obligations, together with the written, unqualified approving opinion of the law firm of Foley & Lardner LLP, bond counsel, evidencing the legality of the Obligations and that interest on the Obligations will be excluded from gross income for federal income tax purposes.
- (ii) A transcript of the proceedings relating to the issuance of the Obligations.

- (iii) A certificate showing that no litigation has been threatened or is pending that would affect the legality of the Obligations or the right of the Issuer to issue them at the time of their delivery.

Section 16. General Obligation Pledge; Tax Levy.

For the prompt payment of the principal of, and interest on, the Obligations, the Issuer irrevocably pledges its full faith, credit, and resources. The Issuer hereby levies upon all taxable property in its territory a direct, annual, and irrevocable tax in an amount sufficient to pay, and for the express purpose of paying, the interest on the Obligations as it falls due and also to pay and discharge the principal of the Obligations on their maturity dates.

This tax must be carried from year to year into the Issuer’s tax roll. It must be collected in addition to all other taxes and in the same manner and at the same time as all other taxes. The amount of this tax that is carried into the Issuer’s tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund available to pay debt service on the Obligations for such year. The tax for each year the levy is made will be in the following amounts:

<u>Levy Year</u>	<u>Debt Service Amount Due in Following Year</u>	<u>Levy Year</u>	<u>Debt Service Amount Due in Following Year</u>
2014	\$324,283.04	2024	\$293,925.00
2015	330,543.76	2025	238,925.00
2016	252,293.76	2026	401,475.00
2017	225,043.76	2027	400,500.00
2018	346,793.76	2028	393,862.50
2019	342,293.76	2029	367,000.00
2020	313,043.76	2030	310,500.00
2021	259,168.76	2031	275,000.00
2022	304,543.76	2032	265,000.00
2023	294,234.38	2033	255,000.00

Section 17. Debt Service Fund.

The Treasurer is directed to keep the proceeds of the taxes levied under this resolution, when they are collected, in the Debt Service Fund. The Debt Service Fund must be maintained and administered as provided in Section 67.11 of the Wisconsin Statutes. The Issuer shall create a separate account within the Debt Service Fund solely for the Obligations. Any accrued interest received on the date of delivery of the Obligations and the premium, if any, paid to the Issuer by the Purchaser in excess of the stated principal amount of the Obligations must be deposited into the Debt Service Fund and used to pay interest on the Obligations. If the money

in the Debt Service Fund is insufficient to make a payment of principal of, or interest on, the Obligations on a date on which such a payment is due, then the Issuer will promptly provide the necessary funds to make the payment from other available sources.

Section 18. Borrowed Money Fund.

The sale proceeds of the Obligations (not including any accrued interest or premium received) must be deposited in and kept by the Treasurer in a separate fund. The fund must be designated with both the name of the Obligations and the name Borrowed Money Fund (herein referred to as the “**Borrowed Money Fund**”). Money in the Borrowed Money Fund, including any earnings, must be (a) used to pay the costs of the Project and issuing the Obligations, or (b) transferred to the Debt Service Fund as provided by law.

Section 19. Official Statement.

The Issuer approves and ratifies the preliminary offering document prepared and distributed in connection with the sale of the Obligations, and the Issuer authorizes and approves the final version of such document (the “**Official Statement**”) to be prepared prior to the issuance of the Obligations; *provided, however*, that the Official Statement must be substantially in the form submitted to this meeting, with such modifications as the Municipal Officers approve. The Municipal Officers must deliver copies of the Official Statement to the Purchaser and, if the Purchaser requests, execute one or more copies on behalf of the Issuer. Execution and delivery of the Official Statement conclusively evidences the approval of the Municipal Officers.

Section 20. Publication of Notice.

The Recording Officer must publish notice that the Issuer has agreed to sell the Obligations. The notice must be published in the Issuer’s official newspaper as a class 1 notice under Chapter 985 of the Wisconsin Statutes promptly after the adoption of this resolution. The notice must be in substantially the form shown in Exhibit B. The Recording Officer must obtain proof, in affidavit form, of the publication, and must compare the notice as published with the attached form to make sure that no mistake was made in publication.

Section 21. Authorization of Officers.

The appropriate officers of the Issuer are directed to prepare and furnish the following items to the Purchaser and the attorneys approving the legality of the Obligations:

- (i) Certified copies of proceedings and records of the Issuer relating to the Obligations and to the financial condition and affairs of the Issuer.
- (ii) Other affidavits, certificates, and information that may be required to show the facts about the legality of the Obligations, as such facts appear on the books and records under the officer’s custody or control or as are otherwise known to the officer.

All certified copies, affidavits, certificates, and information furnished for such purpose are representations of the Issuer as to the facts they present.

Section 22. Qualified Tax-Exempt Obligations.

The Issuer designates the Obligations as “qualified tax exempt obligations” for purposes of Section 265(b)(3) of the Code.

Section 23. Tax Law Covenants.

The Issuer covenants that it will comply with all requirements of the Code and the Treasury Regulations promulgated thereunder that must be satisfied so that interest on the Obligations will be excluded from gross income for federal income tax purposes.

Section 24. Provisions Relating to Bond Insurance.

Notwithstanding anything to the contrary set forth in this resolution, the Issuer hereby agrees that the following provisions shall govern with respect to the issuance by the Insurer of the Policy:

- A. Notice and Other Information to be given to the Insurer. The Issuer will provide the Insurer with all notices and other information it is obligated to provide (i) under its Continuing Disclosure Agreement and (ii) to the owners of insured Obligations or the Fiscal Agent under the Fiscal Agency Agreement.

The notice address of the Insurer is:

C. The Insurer as Third Party Beneficiary. The Insurer is explicitly recognized as, and shall be deemed to be, a third party beneficiary of this Resolution and may enforce any right, remedy or claim conferred, given or granted thereunder.

D. Policy Payments.

1. In the event that principal and/or interest due on the Obligations shall be paid by the Insurer pursuant to the Policy, the Obligations shall remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Issuer, and all covenants, agreements and other obligations of the Issuer to the registered owners shall continue to exist and shall run to the benefit of the Insurer, and the Insurer shall be subrogated to the rights of such registered owners including, without limitation, any rights that such owners may have in respect of securities law violations arising from the offer and sale of the Obligations.
2. Irrespective of whether any such assignment is executed and delivered, the Issuer and the Fiscal Agent shall agree for the benefit of the Insurer that:
 - (a) They recognize that to the extent the Insurer makes payments directly or indirectly (*e.g.*, by paying through the Fiscal Agent), on account of principal of or interest on the Obligations, the Insurer will be subrogated to the rights of such owners to receive the amount of such principal and interest from the Issuer, with interest thereon, as provided and solely from the sources stated in this Resolution and the Obligations; and
 - (b) They will accordingly pay to the Insurer the amount of such principal and interest, with interest thereon, but only from the sources and in the manner provided in the this Resolution and the Obligations for the payment of principal of and interest on the Obligations to owners, and will otherwise treat the Insurer as the owner of such rights to the amount of such principal and interest.
3. *Special Provisions for Insurer Default:* If an Insurer Default shall occur and be continuing, then, notwithstanding anything in paragraph B of this section to the contrary, (1) if at any time prior to or following an Insurer Default, the Insurer has made payment under the Policy, to the extent of such payment the Insurer shall be treated like any other owner of the Obligations for all purposes, including giving of consents, and (2) if the Insurer has not made any payment under the Policy, the Insurer shall have no further consent rights until the particular Insurer Default is no longer

continuing or the Insurer makes a payment under the Policy, in which event, the foregoing clause (1) shall control. For purposes of this paragraph (3), “**Insurer Default**” means: (A) the Insurer has failed to make any payment under the Policy when due and owing in accordance with its terms; or (B) the Insurer shall (i) voluntarily commence any proceeding or file any petition seeking relief under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency or similar law, (ii) consent to the institution of or fail to controvert in a timely and appropriate manner, any such proceeding or the filing of any such petition, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator or similar official for such party or for a substantial part of its property, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors, or (vi) take action for the purpose of effecting any of the foregoing; or (C) any state or federal agency or instrumentality shall order the suspension of payments on the Policy or shall obtain an order or grant approval for the rehabilitation, liquidation, conservation or dissolution of the Insurer (including without limitation under the New York Insurance Law).

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: _____ DOLLARS

THE VILLAGE OF FONTANA-ON-GENEVA LAKE, WISCONSIN (herein called the “**Issuer**”), hereby acknowledges itself to owe and for value received promises to pay to the Registered Owner, the Principal Amount, on the Maturity Date, and to pay interest on the Principal Amount from the Original Issue Date at the annual rate of the Interest Rate. Interest is payable semiannually on March 1 and September 1, beginning on March 1, 2015, until the Principal Amount has been paid. Interest is computed on the basis of a 360-day year of twelve 30-day months.

This Obligation is one of a duly authorized issue of obligations (the “**Obligations**”) of the Issuer of an aggregate principal amount of \$4,430,000, all of like tenor, except as to denomination, interest rate, maturity date, and redemption provisions, issued by the Issuer pursuant to the provisions of Chapter 67 of the Wisconsin Statutes, and is authorized by (1) separate initial resolutions adopted by the governing body of the Issuer on February 3, 2014, specifying the following not to exceed amounts for the following purposes:

Maximum Amount Authorized	Amount Borrowed	Purpose
\$ 815,000	\$ 805,000	street improvements and street improvement funding;
1,295,000	1,280,000	sewerage improvements, including, but not limited to, storm sewer and sanitary sewer improvements; and
2,365,000	2,345,000	water system improvements.

and (2) the resolution duly adopted by the governing body of the Issuer on March 3, 2014, entitled: “A Resolution Authorizing and Providing for the Sale and Issuance of \$4,430,000 General Obligation Corporate Purpose Bonds, Series 2014A, and All Related Details” (the “**Resolution**”). The Obligations are issuable only in the form of fully registered obligations.

On the date of their initial delivery, the Obligations will be maintained in a system in which no physical distribution of certificates representing ownership of the Obligations is made to the owners of the Obligations but instead all outstanding Obligations are registered in the name of a securities depository appointed by the Issuer (a “**Depository**”), or in the name of the Depository’s nominee, and the Depository and its participants record beneficial ownership and effect transfers of the Obligations electronically (a “**Book-Entry System**”). So long as the Obligations are maintained in a Book-Entry System, then the principal of, and interest on, this Obligation will be paid by wire transfer to the Depository or its nominee in accordance with the Depository’s rules that are then in effect by Bond Trust Services Corporation, or any successor fiscal agent appointed by the Issuer under Section 67.10 (2) of the Wisconsin Statutes (the “**Fiscal Agent**”), who will act as paying agent and registrar for the Obligations.

If at any time the Issuer decides *not* to maintain the Obligations in a Book-Entry System, then (i) the principal of this Obligation will be paid by the Fiscal Agent upon its presentation and surrender on or after its maturity date or prior redemption date at the designated office of the Fiscal Agent, and (ii) the interest on this Obligation will be paid, on each interest payment date, by wire or other electronic transfer or by check of the Fiscal Agent sent by first class mail to the person in whose name this Obligation is registered on the register (the “**Register**”) maintained by the Fiscal Agent at the end of the day on the 15th day (whether or not a business day) of the calendar month just before each regularly scheduled interest payment date (the “**Record Date**”).

The principal of, and interest on, this Obligation is payable in lawful money of the United States of America. For the prompt payment of the principal of and interest on this Obligation, the Issuer has irrevocably pledged its full faith, credit, and resources. The Issuer has levied upon all taxable property in its territory a direct, annual, and irrevocable tax sufficient in amount to pay, and for the express purpose of paying, the interest on this Obligation as it falls due and the principal of this Obligation on the Maturity Date.

The Obligations maturing on or after March 1, 2024 are subject to redemption before their stated maturity dates, at the Issuer’s option, in whole or in part, in the order of maturity selected by the Issuer, on March 1, 2023 and on any date thereafter. The redemption price will be 100% of the principal amount redeemed, plus accrued interest to the redemption date, and no premium will be paid. If less than all the principal amount of a specific maturity is redeemed, then the Obligations will be redeemed in \$5,000 multiples as set forth below, and if a portion, but not all, of a maturity that is subject to partial redemptions by operation of a sinking fund (as described below) is being redeemed, then the Issuer will select the amounts to be redeemed on future Sinking Fund Redemption Dates (as defined below) that are reduced as a result of the partial redemption.

The Obligations maturing on March 1 in the years 2032 and 2034 (collectively, the “**Term Bonds**”) are also subject to mandatory partial redemptions prior to their stated maturity dates by operation of a sinking fund. On the following redemption dates (each a “**Sinking Fund Redemption Date**”) the Issuer will redeem the following principal amounts of the Term Bonds:

Term Bonds Maturing March 1, 2032

Sinking Fund Redemption Date (March 1)	Principal Amount To be Redeemed
2031	\$275,000
2032 (Stated Maturity)	250,000

Term Bonds Maturing March 1, 2034

Sinking Fund Redemption Date (March 1)	Principal Amount To be Redeemed
2033	\$250,000
2034 (Stated Maturity)	250,000

So long as the Issuer maintains the Obligations in a Book-Entry System, then the following provisions apply:

Transfers. The Obligations are transferable, only upon the Register and only if the Depository ceases to act as securities depository for the Obligations and the Issuer appoints a successor securities depository. If that happens, then upon the surrender of the Obligations to the Fiscal Agent and in exchange and upon the payment of a charge sufficient to reimburse the Fiscal Agent for any tax, fee, or other governmental charge required to be made with respect to such registration, the Issuer will issue new fully registered Obligations in the same aggregate

principal amounts to the successor securities depository and the Obligations will be recorded as transferred to the successor securities depository in the Register.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption.

Partial Redemption. If less than all the principal amount of a specific maturity is to be redeemed, then the Depository and its direct and indirect participants will select the beneficial owners of the Obligations to be redeemed. If less than the entire principal amount of a particular Obligation has been called for redemption, then upon surrender of the Obligation to be redeemed, the Issuer will issue one or more new Obligations in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations will be sent to the Depository, in the manner required by the Depository, not less than 30, and not more than 60, days prior to the proposed redemption date. A notice of redemption may be revoked by sending notice to the Depository, in the manner required by the Depository, not less than 15 days prior to the proposed redemption date.

Accrual of Interest. If payment of an Obligation called for redemption has been made or provided for, then interest on the Obligation stops accruing on the stated redemption date.

Register. The Issuer, the Fiscal Agent, and any alternate fiscal agent may treat the entity or person in whose name this Obligation is registered on the Register as the absolute owner of this Obligation for all purposes.

If at any time the Issuer decides *not* to maintain the Obligations in a Book-Entry System, then the following provisions apply:

Transfers. Each Obligation is transferable, only upon the Register, for a like aggregate principal amount of the same maturity and interest rate in denominations of \$5,000 or any multiple thereof. A transfer may be requested by the registered owner in person or by a person with a written power of attorney. The Obligation must be surrendered to the Fiscal Agent, together with a written instrument of transfer satisfactory to the Fiscal Agent signed by the registered owner or by the person with the written power of attorney. The Fiscal Agent will issue one or more new fully registered Obligations, in the same aggregate principal amount to the transferee or transferees, as applicable, in exchange for the surrendered Obligations and upon the payment of a charge sufficient to reimburse the Issuer or the Fiscal Agent for any tax, fee, or other governmental charge required to be paid with respect to such registration.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar day period before the date of the sending of notice of

any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption. If a portion of an Obligation has been called for redemption, then on the redemption date, and upon surrender of the Obligation, the Issuer will issue one or more new Obligations in the principal amount outstanding after the redemption.

Partial Redemption. If less than all the principal amount of a specific maturity is to be redeemed, then the Issuer will randomly select the Obligations to be redeemed. If less than the entire principal amount of a particular Obligation has been called for redemption, then upon surrender of the Obligation to be redeemed, the Issuer will issue one or more new Obligations in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations must be sent by first class mail, not less than 30, and not more than 60, days before the redemption date to the registered owners of any Obligations to be redeemed. A notice of redemption may be revoked by sending a notice, by first class mail, not less than 15 days prior to the proposed redemption date to the registered owners of the Obligations which have been called for redemption.

Accrual of Interest. If payment of an Obligation called for redemption has been made or provided for, then interest on the Obligation stops accruing on the stated redemption date.

Register. The Issuer, the Fiscal Agent, and any alternate fiscal agent may treat the entity or person in whose name this Obligation is registered on the Register as the absolute owner of this Obligation for all purposes.

The Issuer certifies, recites, and declares that all acts, conditions, and procedures required by law to be, or to be done, leading up to and in the issuing of this Obligation and of the issue of which it is a part, do exist, have happened, and have been done and performed in regular and due form, time, and manner as required by law; that the indebtedness of the Issuer, including this Obligation and the issue of which it is a part, does not exceed any limitation, general or special, imposed by law; and that a valid, direct, annual and irrevocable tax has been levied by the Issuer sufficient to pay the interest on this Obligation when it falls due and also to pay and discharge the principal of this Obligation at maturity.

IN WITNESS WHEREOF, the Issuer, by its governing body, has caused this Obligation to be executed in its name and on its behalf by the manual or facsimile signatures of its President and Clerk and to be sealed with its corporate seal (or a facsimile thereof), if any, all as of March 20, 2014.

Subject: \$4,430,000
Village of Fontana-on-Geneva Lake, Wisconsin
General Obligation Corporate Purpose Bonds, Series 2014A

We have acted as bond counsel to the Village of Fontana-on-Geneva Lake, Wisconsin (the “**Issuer**”) in connection with the issuance of its \$4,430,000 General Obligation Corporate Purpose Bonds, Series 2014A, dated March 20, 2014 (the “**Obligations**”).

We examined the law, a certified copy of the proceedings relating to the issuance of the Obligations, and certifications of public officials and others. As to questions of fact material to our opinion, we relied upon the certified proceedings and certifications without independently undertaking to verify them.

Based upon this examination, it is our opinion that, under existing law:

1. The Obligations are valid and binding general obligations of the Issuer.
2. All taxable property in the Issuer’s territory is subject to *ad valorem* taxation without any limit as to rate or amount to pay the principal and interest coming due on the Obligations. The Issuer is required by law to include in its annual tax levy the principal and interest coming due on the Obligations except to the extent that the Issuer has deposited other funds, or there is otherwise surplus money, in the account within the debt service fund created for the Obligations under Wisconsin law.
3. Interest on the Obligations is excluded from gross income for federal income tax purposes and is not a specific item of tax preference for purposes of the federal alternative minimum tax imposed on all taxpayers; however, interest on the Obligations is taken into account in determining adjusted current earnings for purposes of computing the alternative minimum tax imposed on certain corporations. The Issuer must comply with all requirements of the Internal Revenue Code of 1986, as amended (the “**Code**”), that must be satisfied after the Obligations are issued for interest on the Obligations to be, or continue to be, excluded from gross income for federal income tax purposes. The Issuer has agreed to comply with those requirements. Its failure to do so may cause interest on the Obligations to be included in gross income for federal income tax purposes, in some cases retroactively to the date the Obligations were issued. The Issuer has designated the Obligations as “qualified tax-exempt obligations” for the purposes of Section 265(b)(3) of the Code. We express no opinion about other federal tax law consequences relating to the Obligations.

The rights of the owners of the Obligations and the enforceability of the Obligations may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights and by equitable principles (which may be applied in either a legal or an equitable proceeding).

We express no opinion as to the truth or completeness of any official statement or other disclosure document used in connection with the offer and sale of the Obligations.

Our opinion is given as of the date of this letter. We assume no duty to update our opinion to reflect any facts or circumstances that later come to our attention or any subsequent changes in law. In acting as bond counsel, we have established an attorney-client relationship only with the Issuer.

Very truly yours,
