OF THE  
VILLAGE OF FONTANA-ON-GENEVA LAKE, WISCONSIN**

**March 7, 2016**

**Resolution No. 030716-04**

**Resolution Authorizing a Representative to  
Declare Official Intent for Federal Tax Law Purposes**

---

**RECITALS**

The Village Board (the “**Governing Body**”) of the Village of Fontana-on-Geneva Lake, Wisconsin (the “**Municipality**”) makes the following findings and determinations:

A. The Municipality from time to time pays for costs of municipal projects using funds on hand and then borrows to provide permanent financing for the projects, reimbursing itself for the earlier payments.

B. If the Municipality wishes to reimburse itself for an earlier payment using the proceeds of a tax-exempt borrowing, or if the Municipality wishes to preserve its ability to refund on a tax-exempt basis taxable debt that will be used to reimburse an earlier payment, then federal tax law requires that the Municipality declare its intent to do so (a “**Declaration of Official Intent**”) not later than sixty (60) days after the date the payment was made.

C. The Municipality is advised by bond counsel that, with certain exceptions for preliminary expenditures, under the applicable federal tax regulations no expenditure made with respect to any property or project may be reimbursed from the proceeds of a tax-exempt state or local borrowing if such obligations are issued more than 18 months after the later of (i) the date that the original expenditure with respect to such property or project was paid or (ii) the date that such property or project is placed in service. In addition, the date that any such expenditure is so reimbursed may not be more than three years after the original expenditure date unless, in the case of a construction project, a licensed architect or engineer and the Municipality certify that at least five years is necessary to complete the project.

D. The Governing Body wishes to authorize one or more persons to make Declarations of Official Intent on the Municipality’s behalf when appropriate to preserve the Municipality’s ability to use proceeds of a tax-exempt borrowing to reimburse itself for costs paid before the borrowing, or to refund taxable debt that was used to reimburse costs paid before that borrowing.
