(i) *Exhibit A* — Form of Obligation.

(ii) *Exhibit B* — Notice to Electors of Sale.

Section 3. Corporate Purpose Bonds.

The Issuer is combining the general obligation bonds authorized under the Initial Resolutions into a single bond issue and designating them as “corporate purpose bonds”.

Section 4. Purposes of Borrowing; Issuance of Obligations.

The Governing Body authorizes the Obligations and orders that they be prepared, executed, and issued. The Obligations will be fully registered, negotiable, general obligation corporate purpose bonds of the Issuer in the principal amount of $7,805,000. The Obligations will be issued pursuant to the provisions of Chapter 67 of the Wisconsin Statutes to pay the costs of the Project, the Refunding, and certain expenses of issuing the Obligations (including printing costs and fees for financial consultants, bond counsel, fiscal agent, rating agencies, insurance, and registration, as applicable).

Section 5. Terms of Obligations.

The Obligations will be named “Village of Fontana-on-Geneva Lake, Wisconsin General Obligation Corporate Purpose Bonds, Series 2015A.” The Obligations will be dated the Original Issue Date, even if they are actually issued or executed on another date. Each Obligation will also be dated the date on which it is authenticated by the Fiscal Agent. That date is its registration date.

The face amount of each Obligation will be $5,000 or any multiple thereof up to the principal amount authorized for that maturity.

The Obligations will bear interest from the Original Issue Date. Interest will be payable semiannually on each June 1 and December 1, beginning on December 1, 2015, until the principal of the Obligations has been paid. Interest on each Obligation will be (i) computed on the basis of a 360-day year of twelve 30-day months and (ii) payable to the person in whose name the Obligation is registered on the Register at the end of the day on the applicable Record Date. The Obligations will be numbered consecutively as may be required to comply with any applicable rules or customs or as determined by the Municipal Officers executing the Obligations. The Issuer and the Fiscal Agent may treat the entity or person in whose name any Obligation is registered on the Register as the absolute owner of the Obligations for all purposes whatsoever under this resolution. The following table shows when the Obligations will mature and the rate of interest each maturity will bear:

Maturity Date (June 1)	Principal Amount	Interest Rate
2016	$115,000	2.00%
2017	120,000	2.00
2018	725,000	2.00
2019	710,000	2.00
2020	720,000	2.00
2021	765,000	2.00
2022	795,000	2.00
2023	830,000	2.00
2024	815,000	2.00
2025	845,000	2.00
2026	850,000	2.00
2027	265,000	2.25
2028	250,000	2.50

To comply with statutory limitations on maximum maturity, the Issuer specifies that the Obligations are being issued to pay and discharge the original debts represented by the Refunded Bonds in the order in which such original debts were incurred. This means that, for this purpose, the first maturities of the Obligations are being issued to pay and discharge the Refunded Bonds, as opposed to financing the Project, and that each original debt represented by a Refunded Bond will be repaid within twenty years of the original date of such debt. For other purposes, the Issuer may treat the proceeds of each maturity of the Obligations as being applied in a different way.

The principal of, and interest on, the Obligations will be payable in lawful money of the United States of America.

Section 6. Refunding of Refunded Bonds; Escrow Agreement.

To provide for the redemption of the Refunded Bonds on the applicable Redemption Date, and to provide for the payment of interest due on the Refunded Bonds on and prior to the applicable Redemption Date, the Financial Officer is directed to transfer proceeds of the Obligations to the applicable account within the Debt Service Fund for the Prior Bonds. The transfers shall be made on or prior to the Redemption Date. The amounts transferred shall be sufficient, together with all other funds then on deposit in said accounts, to pay the amounts due on each Refunded Bond on and prior to the Redemption Date. To provide for the transfers, the Municipal Officers are directed to enter into the Escrow Agreement on the Issuer's behalf. The amounts deposited in the Escrow Account shall be invested and disbursed in the manner described in the Escrow Agreement.

It is necessary to purchase investment securities to be held in the Escrow Account. Ehlers Investment Partners, LLC, as an agent for the Issuer, is directed to purchase, or cause to be purchased, appropriate securities to be held in the Escrow Account in the Issuer's name. The securities that are purchased shall be deposited in the Escrow Account and held pursuant to the terms of the Escrow Agreement and this resolution.

Section 7. Redemption of Refunded Bonds.

Subject to the delivery of the Obligations and the receipt of the Purchase Price for the Obligations from the Purchaser, the Issuer irrevocably directs that the principal amount of each Refunded Bond be redeemed and paid in full in advance of its stated maturity on the applicable Redemption Date. The appropriate officers of the Issuer are directed to instruct each fiscal agent for the Prior Bonds to take all actions required to call the Refunded Bonds for redemption on the applicable Redemption Date, including giving notice in the manner required by the governing documents for the Prior Bonds.

Section 8. Fiscal Agent.

The Issuer appoints the Fiscal Agent to act as authentication agent, paying agent, and registrar for the Obligations. Among other things, the Fiscal Agent shall maintain the Register.

Section 9. Appointment of Depository.

The Issuer appoints DTC to act as securities depository for the Obligations. An authorized representative of the Issuer has previously executed a blanket issuer letter of representations with DTC on the Issuer's behalf, and the Issuer ratifies and approves that document.

Section 10. Book-Entry System.

On the date of their initial delivery, the Obligations will be registered in the name of DTC or its nominee and maintained in a Book-Entry System. If the Issuer's relationship with DTC is terminated, then the Issuer may appoint another securities depository to maintain the Book-Entry System.

The Issuer may decide at any time not to maintain the Obligations in a Book-Entry System. If the Issuer decides not to maintain a Book-Entry System, then it will do the following:

(i) At its expense, the Issuer will prepare, authenticate, and deliver to the beneficial owners of the Obligations fully-registered, certificated Obligations in the denomination of $5,000 or any multiple thereof in the aggregate principal amount then outstanding. The beneficial owners will be those shown on the records of the Depository and its direct and indirect participants.

(ii) The Issuer will appoint a fiscal agent to act as paying agent and registrar for the Obligations under Section 67.10 (2) of the Wisconsin Statutes.

Section 11. Redemption.

The Obligations maturing on and after June 1, 2024 are subject to redemption before their stated maturity dates, at the Issuer's option, in whole or in part, in the order of maturity selected by the Issuer, on June 1, 2023 and on any date thereafter. The redemption price will be 100% of the principal amount redeemed, plus accrued interest to the redemption date, and no premium will be paid. If payment of an Obligation called for redemption has been made or provided for, then interest on the Obligation stops accruing on the stated redemption date. If less than all the principal amount of a specific maturity is redeemed, then the Obligations will be redeemed in $5,000 multiples in accordance with Sections 12 and 13 hereof.

Section 12. Manner of Payment/Transfers/Redemption Notices Under Book-Entry System.

So long as the Issuer maintains the Obligations in a Book-Entry System, the following provisions apply:

Payment. The Fiscal Agent is directed to pay the principal of, and interest on, the Obligations by wire transfer to the Depository or its nominee in accordance with the Depository's rules that are then in effect.

Transfers. The Obligations are transferable, only upon the Register and only if the Depository ceases to act as securities depository for the Obligations and the Issuer appoints a successor securities depository. If that happens, then upon the surrender of the Obligations to the Fiscal Agent, the Issuer will issue new fully registered Obligations in the same aggregate principal amounts to the successor securities depository, and the Obligations will be recorded as transferred to the successor securities depository in the Register.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption.

Partial Redemption. If less than all the principal amount of a specific maturity is to be redeemed, then the Depository and its direct and indirect participants will select the beneficial owners of the Obligations to be redeemed. If an Obligation has been called for redemption but less than all the principal amount of a specific maturity is redeemed, then on the redemption date and upon surrender to the Fiscal Agent of the Obligation, the Issuer will issue one or more new Obligations in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations will be sent to the Depository, in the manner required by the Depository, not less than 30, and not more than 60, days prior to the proposed redemption date. A notice of redemption may be revoked by sending notice to the Depository, in the manner required by the Depository, not less than 15 days prior to the proposed redemption date.

Section 13. Manner of Payment/Transfers/Redemption Notices *Not* Under Book-Entry System.

If on any date the Issuer decides *not* to maintain the Obligations in a Book-Entry System, then the following provisions apply:

Payment. The Fiscal Agent will pay the principal of each Obligation upon its presentation and surrender on or after its maturity or earlier redemption date at the designated office of the Fiscal Agent, and the Fiscal Agent will pay on each interest payment date the interest on each Obligation by wire or other electronic money transfer, or by check of the Fiscal Agent sent by first class mail, to the person in whose name the Obligation is registered on the Register at the end of the day on the applicable Record Date.

Transfers. Each Obligation is transferable, only upon the Register, for a like aggregate principal amount of the same maturity and interest rate in denominations that are multiples of $5,000. A transfer may be requested by the registered owner in person or by a person with a written power of attorney. The Obligation shall be surrendered to the Fiscal Agent, together with a written instrument of transfer satisfactory to the Fiscal Agent signed by the registered owner or by the person with the written power of attorney. The Issuer will issue one or more new fully registered Obligations in the same aggregate principal amount to the transferee or transferees, as applicable, in exchange for the surrendered Obligations and upon the payment of a charge sufficient to reimburse the Issuer or the Fiscal Agent for any tax, fee, or other governmental charge required to be paid with respect to such registration.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar day period before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after the Obligation has been called for redemption.

Partial Redemptions. If less than all the principal amount of a specific maturity is to be redeemed, then the Issuer or the Fiscal Agent will randomly select the Obligations to be redeemed. If less than the entire principal amount of a particular Obligation has been called for redemption, then upon surrender to the Fiscal Agent of the Obligation to be redeemed, the Issuer will issue one or more new Obligations in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations shall be sent by first class mail, not less than 30, and not more than 60, days before the redemption date to the registered owners of the Obligations to be redeemed at the addresses set forth in the Register. A notice of redemption may be revoked by sending a notice, by first class mail, not less than 15 days prior to the proposed redemption date to the registered owners of the Obligations which have been called for redemption.

Section 14. Form of Obligations.

The Obligations shall be in substantially the form shown in Exhibit A. Omissions, insertions, or variations are permitted if they are deemed necessary or desirable and are consistent with this resolution or any supplemental resolution. The Issuer may cause the approving opinion of bond counsel to be printed or reproduced on the Obligations.

Section 15. Execution of Obligations.

The Obligations shall be signed by the persons who are the Municipal Officers on the date on which the Obligations are signed. The Obligations shall be sealed with the Issuer's corporate seal (or a facsimile), if the Issuer has one, and they shall also be authenticated by the manual signature of the Fiscal Agent.

The Obligations will be valid and binding even if before they are delivered any person whose signature appears on the Obligations is no longer living or is no longer the person authorized to sign the Obligations. In that event, the Obligations will have the same effect as if the person were living or were still the person authorized to sign the Obligations.

A facsimile signature may be used as long as at least one signature of a Municipal Officer is a manual signature or the Fiscal Agent's certificate of authentication has a manual signature. If a facsimile signature is used, then it will be treated as the officer's own signature.

Section 16. Continuing Disclosure.

The appropriate officers of the Issuer are directed to sign the Continuing Disclosure Agreement, and the Issuer agrees to comply with all of its terms.

Section 17. Sale of Obligations.

The Issuer awards the sale of the Obligations to the Purchaser at the Purchase Price, plus any accrued interest from the Original Issue Date to the date of delivery of the Obligations. The Issuer approves and accepts the purchase agreement signed and presented by the Purchaser to evidence the purchase of the Obligations (the "**Purchase Agreement**"). The Municipal Officers are directed (i) to sign the Purchase Agreement in the Issuer's name and (ii) to take any additional actions needed to complete the sale of the Obligations, including arranging for a specific date, time, and location of closing of the sale.

The Financial Officer is directed to comply with the terms of the Notice of Sale with respect to any good-faith deposit requirements.

The officers of the Issuer are directed to sign the Obligations and to arrange for delivery of the Obligations to the Purchaser through the facilities of DTC in accordance with the Notice of Sale, the Purchase Agreement, and this resolution. The Obligations may be delivered to the Purchaser upon payment by the Purchaser of the Purchase Price, plus any accrued interest, as required by the Notice of Sale.

Unless waived by the Purchaser, the delivery of the Obligations is conditioned upon the Issuer furnishing the following items to the Purchaser:

(i) The Obligations, together with the written, unqualified approving opinion of the law firm of Foley & Lardner LLP, bond counsel, evidencing the legality of the Obligations and that interest on the Obligations will be excluded from gross income for federal income tax purposes.

(ii) A transcript of the proceedings relating to the issuance of the Obligations.

(iii) A certificate showing that no litigation has been threatened or is pending that would affect the legality of the Obligations or the right of the Issuer to issue them at the time of their delivery.

Section 18. General Obligation Pledge; Tax Levy.

For the prompt payment of the principal of, and interest on, the Obligations, the Issuer irrevocably pledges its full faith and credit. The Issuer hereby levies upon all taxable property in its territory a direct, annual, and irrepealable tax in an amount sufficient to pay, and for the express purpose of paying, the interest on the Obligations as it falls due and also to pay and discharge the principal of the Obligations on their maturity dates.

This tax shall be carried from year to year into the Issuer's tax roll. It shall be collected in addition to all other taxes and in the same manner and at the same time as all other taxes. The amount of this tax that is carried into the Issuer's tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account available to pay debt service on the Obligations for such year. This tax for each year the levy is made will be in the following amounts:

Levy Year	Debt Service Amount Due in Following Year	Levy Year	Debt Service Amount Due in Following Year
2015	$271,862.50	2022	$900,712.50
2016	274,512.50	2023	869,262.50
2017	871,062.50	2024	882,662.50
2018	841,712.50	2025	870,712.50
2019	837,412.50	2026	274,231.25
2020	867,562.50	2027	253,125.00
2021	881,962.50		

Taking into account any accrued interest received on the date of delivery of the Obligations, any premium paid to the Issuer by the Purchaser in excess of the stated principal amount of the Obligations that has been deposited into the Debt Service Fund as provided in Section 19 hereof, the Issuer appropriates from its tax levy made in the year 2014 an amount sufficient to pay the remaining amount, if any, needed for the interest payment coming due on the Obligations on December 1, 2015. As a result of the foregoing, the Issuer does not need to levy a tax for the interest payment on the Obligations to be made on December 1, 2015.

Section 19. Debt Service Fund.

The Treasurer is directed to keep the proceeds of the taxes levied under this resolution, when they are collected, in the Debt Service Fund. The Debt Service Fund shall be maintained and administered as provided in Section 67.11 of the Wisconsin Statutes. The Issuer shall create a separate account within the Debt Service Fund solely for the Obligations (the "**Debt Service Fund Account**"). Any accrued interest received on the date of delivery of the Obligations and the premium, if any, paid to the Issuer by the Purchaser in excess of the stated principal amount of the Obligations shall be deposited into the Debt Service Fund Account and used to pay interest on the Obligations. If the money in the Debt Service Fund Account is insufficient to make a payment of principal of, or interest on, the Obligations on a date on which such a payment is due, then the Issuer will promptly provide the necessary funds to make the payment from other available sources.

Section 20. Borrowed Money Fund.

The portion of the sale proceeds of the Obligations (not including any accrued interest or premium received) relating to the Project shall be deposited in and kept by the Treasurer in a separate fund. The fund shall be designated with both the name of the Obligations and the name Borrowed Money Fund (herein referred to as the "**Borrowed Money Fund**"). The remaining portion of the sale proceeds (not including any accrued interest or premium received) relating to the Refunding shall be deposited in the Escrow Account. The Escrow Account will be deemed to be a portion of the Borrowed Money Fund for the purpose of Section 67.10(3) of the Wisconsin Statutes. Money in the Borrowed Money Fund, including any earnings, shall be (a) used to pay the costs of the Project, the Refunding, and issuing the Obligations, or (b) transferred to the Debt Service Fund Account as provided by law.

Section 21. Official Statement.

The Issuer approves and ratifies the preliminary offering document prepared and distributed in connection with the sale of the Obligations, and the Issuer authorizes and approves the final version of such document (the "**Official Statement**") to be prepared prior to the issuance of the Obligations; *provided, however,* that the Official Statement shall be substantially in the form submitted to this meeting, with such modifications as the Municipal Officers approve. The Municipal Officers are directed to deliver copies of the Official Statement to the Purchaser and, if the Purchaser requests, execute one or more copies on behalf of the Issuer. Execution and delivery of the Official Statement will conclusively evidence the approval of the Municipal Officers.

Section 22. Publication of Notice.

The Recording Officer is directed to publish notice that the Issuer has agreed to sell the Obligations. The notice shall be published in the Issuer's official newspaper as a class 1 notice under Chapter 985 of the Wisconsin Statutes promptly after the adoption of this resolution. The notice shall be in substantially the form shown in Exhibit B. The Recording Officer shall obtain proof, in affidavit form, of the publication, and shall compare the notice as published with the attached form to make sure that no mistake was made in publication.

Section 23. Authorization of Officers.

The appropriate officers of the Issuer are directed to prepare and furnish the following items to the Purchaser and the attorneys approving the legality of the Obligations:

(i) Certified copies of proceedings and records of the Issuer relating to the Obligations and to the financial condition and affairs of the Issuer.

(ii) Other affidavits, certificates, and information that may be required to show the facts about the legality of the Obligations, as such facts appear on the books and records under the officer's custody or control or as are otherwise known to the officer.

All certified copies, affidavits, certificates, and information furnished for such purpose will be representations of the Issuer as to the facts they present.

Section 24. Qualified Tax-Exempt Obligations.

The Issuer designates the Obligations as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code.

Section 25. Tax Law Covenants.

The Issuer covenants that it will comply with all requirements of the Code and the Treasury Regulations promulgated thereunder, that must be satisfied so that interest on the Obligations will be excluded from gross income for federal income tax purposes.

Section 26. Further Authorization.

The Issuer authorizes its officers, attorneys, and other agents or employees to do all acts required of them to carry out the purposes of this resolution.

Section 27. Conflict with Prior Acts.

In case any part of a prior action of the Governing Body conflicts with this resolution, that part of the prior action is hereby rescinded.

Section 28. Severability of Invalid Provisions.

If a court holds any provision of this resolution to be illegal or invalid, then the illegality or invalidity shall not affect any other provision of this resolution.

Section 29. Effective Date.

This resolution takes effect upon its adoption and approval in the manner provided by law.

Interest is payable semiannually on June 1 and December 1, beginning on December 1, 2015, until the Principal Amount has been paid. Interest is computed on the basis of a 360-day year of twelve 30-day months.

This Obligation is one of a duly authorized issue of bonds (the "**Obligations**") of the Issuer of an aggregate principal amount of $7,805,000, all of like tenor, except as to denomination, interest rate, maturity date, and redemption provisions, issued by the Issuer pursuant to the provisions of Chapter 67 of the Wisconsin Statutes, and is authorized by (1) three initial resolutions adopted by the governing body of the Issuer on March 2, 2015 and (2) the resolution duly adopted by the governing body of the Issuer on April 6, 2015, entitled: "A Resolution Authorizing and Providing for the Sale and Issuance of $7,805,000 General

Obligation Corporate Purpose Bonds, Series 2015A, and All Related Details" (the "**Resolution**"). The Obligations are issuable only in the form of fully registered bonds.

On the date of their initial delivery, the Obligations will be maintained in a system in which no physical distribution of certificates representing ownership of the Obligations is made to the owners of the Obligations but instead all outstanding Obligations are registered in the name of a securities depository appointed by the Issuer (a "**Depository**"), or in the name of the Depository's nominee, and the Depository and its participants record beneficial ownership and effect transfers of the Obligations electronically (a "**Book-Entry System**"). So long as the Obligations are maintained in a Book-Entry System, then the principal of, and interest on, this Obligation will be paid by wire transfer to the Depository or its nominee in accordance with the Depository's rules that are then in effect by the Issuer's TREASURER, or any successor fiscal agent appointed by the Issuer under Section 67.10 (2) of the Wisconsin Statutes (the "**Fiscal Agent**"), which will act as authentication agent, paying agent, and registrar for the Obligations.

If at any time the Issuer decides *not* to maintain the Obligations in a Book-Entry System, then (i) the principal of this Obligation will be paid by the Fiscal Agent upon its presentation and surrender on or after its maturity date or prior redemption date at the designated office of the Fiscal Agent, and (ii) the interest on this Obligation will be paid on each interest payment date by wire or other electronic money transfer, or by check of the Fiscal Agent sent by first class mail, to the person in whose name this Obligation is registered on the register (the "**Register**") maintained by the Fiscal Agent at the end of the day on the 15^{th} day (whether or not a business day) of the calendar month just before each regularly scheduled interest payment date (the "**Record Date**"). The Issuer and the Fiscal Agent may treat the entity or person in whose name this Obligation is registered on the Register as the absolute owner of this Obligation for all purposes.

The principal of, and interest on, this Obligation is payable in lawful money of the United States of America. For the prompt payment of the principal of and interest on this Obligation, the Issuer has irrevocably pledged its full faith and credit. The Issuer has levied upon all taxable property in its territory a direct, annual, and irrepealable tax sufficient in amount to pay, and for the express purpose of paying, the interest on this Obligation as it falls due and the principal of this Obligation on the Maturity Date.

The Obligations maturing on or after June 1, 2024 are subject to redemption before their stated maturity dates, at the Issuer's option, in whole or in part, in the order of maturity selected by the Issuer, on June 1, 2023 and on any date thereafter. The redemption price will be 100% of the principal amount redeemed, plus accrued interest to the redemption date, and no premium will be paid. If payment of an Obligation called for redemption has been made or provided for, then interest on the Obligation stops accruing on the stated redemption date. If less than all the principal amount of a specific maturity is redeemed, then the Obligations will be redeemed in $5,000 multiples as set forth below.

So long as the Issuer maintains the Obligations in a Book-Entry System, then the following provisions apply:

Transfers. The Obligations are transferable, only upon the Register and only if the Depository ceases to act as securities depository for the Obligations and the Issuer appoints a successor securities depository. If that happens, then upon the surrender of the Obligations to the Fiscal Agent, the Issuer will issue new fully registered Obligations in the same aggregate principal amounts to the successor securities depository and the Obligations will be recorded as transferred to the successor securities depository in the Register.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption.

Partial Redemption. If less than all the principal amount of a specific maturity is to be redeemed, then the Depository and its direct and indirect participants will select the beneficial owners of the Obligations to be redeemed. If an Obligation has been called for redemption but less than all the principal amount of a specific maturity is redeemed, then on the redemption date and upon surrender to the Fiscal Agent of the Obligation, the Issuer will issue one or more new Obligations in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations will be sent to the Depository, in the manner required by the Depository, not less than 30, and not more than 60, days prior to the proposed redemption date. A notice of redemption may be revoked by sending notice to the Depository, in the manner required by the Depository, not less than 15 days prior to the proposed redemption date.

If on any date the Issuer decides *not* to maintain the Obligations in a Book-Entry System, then the following provisions apply:

Transfers. Each Obligation is transferable, only upon the Register, for a like aggregate principal amount of the same maturity and interest rate in denominations that are multiples of $5,000. A transfer may be requested by the registered owner in person or by a person with a written power of attorney. The Obligation shall be surrendered to the Fiscal Agent, together with a written instrument of transfer satisfactory to the Fiscal Agent signed by the registered owner or by the person with the written power of attorney. The Issuer will issue one or more new fully registered Obligations, in the same aggregate principal amount to the transferee or transferees, as applicable, in exchange for the surrendered Obligations and upon the payment of a charge sufficient to reimburse the Issuer or the Fiscal Agent for any tax, fee, or other governmental charge required to be paid with respect to such registration.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar day period before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption. If a portion of an Obligation has been called for redemption, then on the redemption date, and upon surrender of the Obligation, the Issuer will issue one or more new Obligations in the principal amount outstanding after the redemption.

Partial Redemption. If less than all the principal amount of a specific maturity is to be redeemed, then the Issuer or the Fiscal Agent will randomly select the Obligations to be redeemed. If less than the entire principal amount of a particular Obligation has been called for redemption, then upon surrender to the Fiscal Agent of the Obligation to be redeemed, the Issuer will issue one or more new Obligations in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations shall be sent by first class mail, not less than 30, and not more than 60, days before the redemption date to the registered owners of any Obligations to be redeemed. A notice of redemption may be revoked by sending a notice, by first class mail, not less than 15 days prior to the proposed redemption date to the registered owners of the Obligations which have been called for redemption.

The Issuer certifies, recites, and declares that all acts, conditions, and procedures required by law to exist, to have happened, and to be performed, leading up to and in the issuing of this Obligation and of the issue of which it is a part, do exist, have happened, and have been performed in regular and due form, time, and manner as required by law; that the indebtedness of the Issuer, including this Obligation and the issue of which it is a part, does not exceed any limitation, general or special, imposed by law; and that a valid, direct, annual and irrepealable tax has been levied by the Issuer sufficient to pay the interest on this Obligation when it falls due and also to pay and discharge the principal of this Obligation at maturity.

IN WITNESS WHEREOF, the Issuer, by its governing body, has caused this Obligation to be executed in its name and on its behalf by the manual or facsimile signatures of its President and Clerk and to be sealed with its corporate seal (or a facsimile thereof), if any, all as of April 23, 2015.
