

## Automatic Pay Plan for Your Quarterly Fontana Water/Sewer Bills!

### Overview

We will automatically deduct your Village of Fontana water/sewer charges each quarter from your designated checking or savings account. No more fees assessed for late payments & you'll save on postage too!

### How It Works

When you enroll, you authorize a quarterly deduction from your checking or savings account. You will continue to receive your regular quarterly bill that shows your usage and other information.

Your bill will remind you that you are in the Automatic Pay Plan when "PD BY DRAFT" is printed on the top and bottom half of your bill. You simply deduct the current charges listed on your bill from your checking or savings account register. If you would like to cancel your APP withdrawal or change bank accounts, please contact us 7-10 business days before your payment is scheduled to be taken out of your bank.

### When Will My Bank Account be Deducted

Your bank account will be deducted by the actual amount of your bill on the due date which is the 20<sup>th</sup> of the month of the billing. Remember that the Village of Fontana bills quarterly every January 1<sup>st</sup>, April 1<sup>st</sup>, July 1<sup>st</sup> and October 1<sup>st</sup>.
