Re: July 4, 2020 Fireworks Cancellation

After considerable discussion and monitoring the ever-evolving COVID-19 situation, Village officials have made the difficult decision to cancel this year's Fourth of July fireworks display. The decision was made now to help alleviate the required preparation and planning necessary to successfully execute the show. Based on the information we have received, we feel it will be premature for a large gathering of several thousands of people to come together safely in early July. Your health and welfare are our number one priority, and we want to play our part in keeping everyone safe. We thank you for your patience and understanding during these unique circumstances. Please be healthy and stay safe!
