March 4, 2021 Project Update

### **South Lake Shore Drive Reconstruction**

Village of Fontana-on-Geneva Lake

The recent warm temperatures are allowing the 2021 Spring Construction to commence, with construction mobilization scheduled to begin the week of March 8<sup>th</sup>.

**SLOW DOWN IN CONSTRUCTION ZONES!** Be aware of construction workers, other vehicles, pedestrians, and prevent damage to properties and your own vehicle. **Expect delays and plan accordingly.** Please follow all detours and construction signage.

**Phases 1 - 3 (S Lake Shore Drive between Shabbona Drive and Abbey Springs entrance, & Brickley Drive):** Phases 1 – 3 are substantially complete. Occasional punch list items including manhole cover adjustments and maintenance work are scheduled for this spring, however no full road closures are anticipated.

**Phase 4 (S Lake Shore Drive east of Abbey Springs entrance to eastern Village/project limits at Lake Geneva Yacht Club):** Mobilization work is scheduled to begin on Monday March 8<sup>th</sup> with the installation of construction signage, barricades, and the detour reopening. Road pulverizing is currently scheduled for Wednesday of next week, with multiple underground utility work crews planning to start the week of March 15<sup>th</sup>. Roadway reconstruction will follow underground utility installation. **S Lake Shore Drive east of the Abbey Springs entrance to the eastern Village/project limits will be closed to through traffic and will be reopened prior to Memorial Day.** Access in and out of Abbey Springs will be from the west during this time.

The above schedule may be adjusted because of inclement weather. Note that the Village Contractor is not able to provide additional work for private property owners as part of the Village construction project. Feel free to contact the Village at (262) 275-6136 with any questions.
