## Village of Fontana Park Commission Memorial Tree Program

Trees are one of nature's best gifts to humankind and the planting of trees has always symbolized peace, life,

growth and hope for the future.

The gift of a tree is a unique way to celebrate, honor and memorialize a special individual, group or event, while adding a long-lasting aesthetic and environmental benefit to the entire community.

Sponsored by the Fontana Park Commission, the Memorial Tree & Bench Program allows groups and individuals to donate trees and benches to commemorate special events or as memorials to loved ones.

Trees and benches purchased through the program are planted and placed in village parks, trails and playgrounds. Exact placement is at the discretion of the Park Commission and Public Works Department.

Available sites for the placement of trees and benches can be viewed on the [Park Commission Memorial Tree and Bench Location Map](#).
