**the Village of Fontana on Geneva Lake**

**Whereas**, the Village Board has the authority pursuant to the Municipal Code to set fees and charges for various items; and

**Whereas**, the Public Works department has researched modifying the old meters to charge \$1/hr and discovered it would cost approximately \$4,000; and,

**Whereas**, the old meters serve only the beach parking lot and the lot located across the street from the beach parking lot; and,

**Whereas**, the Village Board discussed the item and decided to amend the parking fee in the beach lot and the lot across the street to \$.50/hr, until such time that the Pay to Park stations are installed in these lots.

**Whereas**, the Village Board clarified that parking would remain \$1/hr in the Boat Trailer Parking lot for cars and \$3/hr for trailers, and \$1/hr for all cars on Reid and Third; and,

**Whereas**, the Village Board does change the fees and charges from time to time as authorized by the Municipal Code; and

**Whereas**, the Village Board has determined that fees and charges are appropriate for this use;

**Now Therefore, Be it Resolved** by the Village Board of the Village of Fontana on Geneva Lake that the fees and charges listed in the attached Exhibit A shall remain in force until again set by the Village Board.
