

**Resolution No. 09-09-13-01**

**A Resolution amending Resolution 08-05-13-01 authorizing specific Village Property owners to participate in 2013 deer bow hunting season**

**Whereas**, it had been since the fall of 2006 since the Village of Fontana on Geneva Lake adopted a resolution authorizing specific Village properties to participate in the Wisconsin Department of Natural Resources (DNR) Chronic Wasting Disease (CWD) eradication hunt; and,

**Whereas**, the DNR established a CWD management goal to reduce the deer herd to five deer or fewer per square mile to stop the disease transmission and eradicate the disease; and,

**Whereas**, the Village of Fontana is currently inundated with several dozen deer throughout the village; and,

**Now therefore be it resolved**, that the Village of Fontana on Geneva Lake compiled a listing of the permitted parcels, authorized hunting agents, specified hunting regulations and hours, and other pertinent information which is hereby attached to this resolution as “Exhibit A”.

**Be it further resolved**, that only the parcels listed on the “Exhibit A” shall be eligible to apply for a Landowner’s permit and the hunting shall be authorized only through January 5, 2014.

**Be it further resolved**, that this Resolution is to be effective upon adoption.

Approved and Adopted this 9th day of September, 2013.
