Garbage Collection Days are changing in 2019

The Village's garbage collection schedule will be split into two days starting Monday, January 7, 2019. Half of the Village will continue to have their garbage picked up on Monday morning while the rest of the Village will have their garbage picked up on Tuesday morning. The Village's website homepage has a link to a map that depicts the new route and a list with which day each street is being serviced. Please note this does not affect recycling pick up which will continue to be on Mondays.

Below are hyperlinks to the map and the list of streets on the website.
