Recycling Collection Days to Mirror Garbage in 2020

The Village's recycling collection schedule will be split into two days to mirror garbage collection beginning Monday, January 6, 2020. Half of the Village will continue to have their garbage and recycling picked up on Monday morning while the remainder of the Village will have their garbage and recycling picked up on Tuesday morning. If you had garbage collection on Mondays, you will have recycling on Mondays as well, and if you had garbage collection on Tuesdays you will have recycling collection on Tuesdays. The Village's website homepage has a link to a map and list that depicts the route and a list with which day each street is being serviced with both garbage and recycling.
