

NOTICE!

HOW TO AVOID PARKING TICKETS

Your 2020 Village vehicle sticker must be **ATTACHED** to the lower driver side windshield, so it is clearly **VISIBLE** to parking enforcement staff. Please make sure you remove the protective backing and apply the sticker to the windshield. The stickers are easily transferable from windshield to windshield.

Vehicles with the **YELLOW** employee sticker can park for free **ONLY** in Lot 2, across the street from the main beach parking lot and in the single stall area of Lot 3. This lot is located at the intersection of Third St & High St.

Vehicles with decals left on the dash or not visible will be ticketed. NO EXCEPTIONS.

Thank you for your cooperation!
