

Fourth of July Fireworks 2022
Combined Fireworks Campaign

Greetings,

4th of July fireworks (on THE 4th of July) are back this year!

Geneva Lake West Chamber of Commerce and Village of Fontana-on-Geneva Lake again seek your support to provide another spectacular lakefront fireworks experience. As in prior years, the fireworks will be launched from barges anchored just off Fontana Beach to provide a breathtaking show for the community and visitors from miles around.

The fireworks display is funded 100% by donations. Over the past few years, the cost of the fireworks has increased while donations have declined. The generous contributions from businesses, groups, associations, and individuals are what allows us to continue to host this exciting event. Your financial support is needed to put on such a magnificent display. In sincere appreciation of your contribution, we will officially recognize you in a press release, on our website, and on our Facebook page.

May we count on your financial support for the fireworks? Thank you in advance for remitting the lower portion of this letter. We deeply appreciate every level of support for this patriotic display.

Sincerely,

Marcia Blimbergs
Fireworks Committee Chairperson
