

**Village of Fontana
Park Commission
Memorial Tree Program**

Trees are one of nature's best gifts to humankind and the planting of trees has always symbolized peace, life,

growth and hope for the future.

The gift of a tree is a unique way to celebrate, honor and memorialize a special individual, group or event, while adding a long-lasting aesthetic and environmental benefit to the entire community.

Sponsored by the Fontana Park Commission, the Memorial Tree Program allows groups and individuals to donate trees to commemorate special events or as memorials to loved ones.

Trees are able to be purchased and planted through the program. Trees would be placed along Fontana Boulevard. Exact placement is at the discretion of the Park Commission and Public Works Department.
