WHEREAS, pursuant to Wis. Stat. Sec. 66.0602 (2), the levy increase for the Village of Fontana in 2022 is limited to .999%; and

WHEREAS, the Village Board of the Village of Fontana finds that it is in the best interests of the residents of the village, their invitees and visitors to the village to provide 24-hour emergency medical services within the village; and

WHEREAS, the Village Board of the Village of Fontana finds that the village is unable to continue funding the cost of providing efficient 24-hour emergency medical services within the village by increasing the levy, due to the limitations imposed by Wis. Stat. Sec. 66.0602 (2); and

WHEREAS, the Village Board of the Village of Fontana finds that it is appropriate to submit to the electorate a referendum to request authority to increase the levy limit by 16.160% on an ongoing basis to provide the funding for the provision of 24-hour emergency medical services within the village.

NOW, THEREFORE, the Village Board of the Village of Fontana do resolve as follows:

1. That for the next fiscal year, 2023, for the purpose of funding the provision of 24-hour emergency medical services within the Village, the levy be increased 16.160% resulting in a levy of \$4,874,124 and that the increase of \$678,077 be included for each fiscal year going forward.
2. That the levy limit increase provided for in this resolution be subject to the approval of the electorate of the following question in a referendum submitted to the electorate for that purpose:

3. That the clerk take all steps necessary to ensure that the referendum question be submitted to the electorate at an election called for that purpose.
